Item 1.01 Entry Into a Material Definitive Agreement

On September 29, 2006, HAPC, INC., a Delaware corporation (“HAPC”) entered into a Stock Purchase Agreement (the “Stock Purchase Agreement”) with I-Flow Corporation, a Delaware corporation (“I-Flow”), Iceland Acquisition Subsidiary, Inc., a Delaware corporation and wholly-owned subsidiary of HAPC (“Acquisition Sub”) and InfuSystem, Inc., a California corporation and wholly-owned subsidiary of I-Flow (“InfuSystem”). Pursuant to the terms of the Stock Purchase Agreement, Acquisition Sub will purchase all of the issued and outstanding capital stock of InfuSystem. Concurrently with the acquisition, Acquisition Sub will merge with and into InfuSystem. After the merger, Acquisition Sub will cease to exist as an independent entity and InfuSystem, as the surviving corporation, will continue its corporate existence under the laws of the State of California.

HAPC’s amended and restated certificate of incorporation (the “Certificate of Incorporation”) requires that the acquisition must be approved by the holders of a majority of the shares of HAPC common stock sold in HAPC’s April 2006 initial public offering (the “IPO”) that are cast on the issue. The acquisition cannot be completed if holders of 20% or more of the shares of HAPC common stock sold in the IPO vote against the acquisition and, as permitted by the Certificate of Incorporation, demand that their shares be converted (the “Conversion Rights”) into the right to receive a pro rata portion of the net proceeds of the IPO held in a trust account established for this purpose at the time of the IPO (the approval of the majority of the shares cast together with the exercise of the Conversion Rights by less than 20% of the HAPC common stock issued in the IPO, “HAPC Stockholder Approval”). If the holders of less than 20% of the shares of HAPC common stock exercise their Conversion Rights and the transaction closes, such holders will receive their pro rata share of the trust proceeds.

Purchase Price

In consideration for the acquisition of all of the issued and outstanding shares of capital stock of InfuSystem, HAPC or Acquisition Sub will pay to I-Flow a purchase price of \$140,000,000, subject to certain working capital adjustments as set forth in the Stock Purchase Agreement. The purchase price will be paid by HAPC or Acquisition Sub in cash or a combination of (i) a secured promissory note (the “Promissory Note”) payable to I-Flow in a principal amount equal to \$55,000,000 plus the amount actually paid to HAPC’s stockholders who exercise their Conversion Rights but not to exceed \$75,000,000 (the “Maximum Amount”) and (ii) an amount of cash purchase price equal to \$65,000,000 plus the difference between the Maximum Amount and the actual principal amount of the Promissory Note. In connection with I-Flow’s commitment to accept the Promissory Note, a \$100,000 delivery fee is payable by HAPC to I-Flow by October 4, 2006 and a “Ticking Fee” (between 0.50% and 1.0% per annum of the Maximum Amount) is payable from September 29, 2006 until the earlier of the closing under the Stock Purchase Agreement, termination of the Stock Purchase Agreement or HAPC’s notice that, because alternative financing has been secured, the Promissory Note to I-Flow will no longer be required. Additional terms and conditions of the Promissory Note are set forth in the term sheet (the “Term Sheet”) attached to the Stock Purchase Agreement as Exhibit C.

Representations, Warranties and Covenants

The Stock Purchase Agreement contains representations and warranties of each of HAPC, I-Flow, Acquisition Sub and InfuSystem, as applicable, relating to, among other matters, (i) corporate organization and similar corporate matters, (ii) title to stock, (iii) capitalization, (iv) the authorization, performance and enforceability of the Stock Purchase Agreement, (v) taxes, (vi) financial statements and the absence of undisclosed liabilities, (vii) material contracts, (viii) absence of certain changes, (ix) compliance with applicable laws, (x) absence of litigation, (xi) insurance, (xii) consents, (xiii) licenses and permits, (xiv) validity of leases, (xv) title to assets, (xvi) employee and employee benefit matters, (xvii) environmental matters and (xviii) intellectual property matters.

InfuSystem has agreed to continue to operate its business in the ordinary course prior to the closing of the transactions contemplated by the Stock Purchase Agreement and each of the parties has agreed (i) not to take any action to cause its representations and warranties to become untrue and (ii) to use all commercially reasonable efforts to consummate the transactions contemplated by the Stock Purchase Agreement in accordance with the terms set forth therein. Each party has also agreed to maintain the confidentiality of the other's proprietary information.

Indemnification

Under the Stock Purchase Agreement, each of HAPC and I-Flow have agreed to indemnify the other and its affiliates, subject to certain limitations, against certain losses arising from, among other matters, such party's breach of the Stock Purchase Agreement.

Conditions to Closing

The obligations of the parties to consummate the transactions contemplated by the Stock Purchase Agreement are subject to certain closing conditions including, among others, confirmation of the continued accuracy of the representations and warranties of each of the parties to the Stock Purchase Agreement and receipt of HAPC Stockholder Approval.

Termination and Break Up Fee

The Stock Purchase Agreement may be terminated at any time prior to the closing (i) by the mutual written consent of HAPC and I-Flow, (ii) by I-Flow, if HAPC or Acquisition Sub breaches any of its representations, warranties or covenants contained in the Stock Purchase Agreement where such breach would give rise to the failure of a condition precedent to closing, cannot be or has not been cured within 15 calendar days and has not been waived by I-Flow, (iii) by HAPC, if I-Flow or InfuSystem breaches any of its representations, warranties or covenants contained in the Stock Purchase Agreement where such breach would give rise to the failure of a condition precedent to closing, cannot be or has not been cured within 15 calendar days and has not been waived by HAPC, (iv) by I-Flow or HAPC, if any of the conditions precedent to closing have become incapable of fulfillment, (v) by I-Flow or HAPC if the closing has not occurred by April 30, 2007 or (vi) by I-Flow or HAPC in the event that any governmental authority issues an order prohibiting the transactions contemplated by the Stock Purchase Agreement.

In the event that the Stock Purchase Agreement is terminated (i) because of HAPC's failure to obtain HAPC Stockholder Approval by April 30, 2007 for any reason or (ii) because HAPC or Acquisition Sub is unwilling or unable to consummate the transactions contemplated by the Stock Purchase Agreement notwithstanding the fact that all conditions precedent to the Stock Purchase Agreement to be satisfied by I-Flow and InfuSystem (and the receipt of HAPC Stockholder Approval) have been satisfied or are capable of fulfillment, HAPC must pay I-Flow a break up fee. In the event that I-Flow terminates the Stock Purchase Agreement after April 30, 2007 and the break up fee is payable for the sole reason that HAPC has not held the stockholder meeting seeking HAPC Stockholder Approval by April 30, 2007, the break up fee will be \$1,000,000. In all other cases where a break up fee is payable, the amount will be \$3,000,000.

Payment of the break up fee has been guaranteed to I-Flow by Messrs. Sean D. McDevitt, Pat LaVecchia and Philip B. Harris (collectively, the "Guarantors") pursuant to a Continuing Guaranty provided by the Guarantors in favor of I-Flow and delivered on September 29, 2006 (the "Guaranty").

Mr. McDevitt is the Chairman of the Board of HAPC and Mr. LaVecchia is the Secretary and a Director of HAPC. Pursuant to the terms of a Guarantee Fee and Reimbursement Agreement entered into by HAPC and the Guarantors on September 29, 2006 (the "Guarantee Fee and Reimbursement Agreement"), HAPC has agreed to pay the Guarantors a fee of \$100,000 upon delivery of the Guaranty and \$300,000 upon closing of the transactions contemplated by, or the termination of, the Stock Purchase Agreement. HAPC has also agreed to reimburse the Guarantors for any payments actually made by them in connection with the Guaranty. In addition, HAPC has agreed under the Stock Purchase Agreement to cause the Guarantors to arrange for and deliver to I-Flow, on or prior to October 14, 2006, letters of credit in an aggregate amount equal to \$3,000,000. Such letters of credit will provide for, among other matters, drawing by I-Flow in the event that the break up fee is not paid when due and payable.

Amended and Restated Services Agreement

At closing, I-Flow and InfuSystem will enter into an amended and restated services agreement, a form of which is attached as Exhibit A to the Stock Purchase Agreement (the "Services Agreement"), pursuant to which InfuSystem will agree to continue to provide to I-Flow, from and after the closing, the billing and collection services and management services InfuSystem has been providing prior to the date of the closing in the field of acute post-operative pain management, including with respect to I-Flow's On-Q[®] product line. The term of the Services Agreement is three years, but it can be terminated at any time by I-Flow upon 180 days' notice or by InfuSystem at any time after the one year anniversary of the Services Agreement upon 180 days' notice. Monthly fees are set at the higher of (i) direct costs plus 40% or (ii) 25% of net collections by InfuSystem.

License Agreement

At closing, I-Flow and InfuSystem will enter into a license agreement (the "License Agreement"), a form of which is attached as Exhibit B to the Stock Purchase Agreement, pursuant to which, among other matters, InfuSystem will grant to I-Flow certain licenses to InfuSystem's intellectual property related to the third-party billing and collection services and management services currently provided by InfuSystem to I-Flow in the field of acute post-operative pain management and in other product fields including, without limitation, wound site management and post-operative surgical treatments.

The foregoing descriptions of the Stock Purchase Agreement, the Guaranty and the Guaranty Fee and Reimbursement Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of each agreement filed as Exhibits 10.1, 10.2 and 10.3 hereto.

Additional Information and Where to Find It

In connection with the proposed acquisition and required stockholder approval, HAPC will file with the U.S. Securities and Exchange Commission a proxy statement which will be mailed to the stockholders of HAPC. HAPC's stockholders are urged to read the proxy statement and other relevant materials when they become available as they will contain important information about the acquisition of all of the issued and outstanding capital stock of InfuSystem. HAPC stockholders will be able to obtain a free copy of such filings at the U.S. Securities and Exchange Commission's internet site (<http://www.sec.gov>). Copies of such filings can also be obtained, without charge, by directing a request to HAPC, INC., 350 Madison Avenue, New York, New York 10017, Tel: (212) 418-5070.

HAPC and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of HAPC in connection with the proposed transaction. Information regarding the special interests of these directors and executive officers in the proposed transaction will be included in the proxy statement of HAPC described above.

If the Seller disagrees with the Buyer’s computation of the Closing Working Capital, the Seller may, on or prior to the last calendar day of the Review Period, deliver a notice to the Buyer (the “Notice of Objection”), which sets forth its objections to the Buyer’s calculation of the Closing Working Capital. Any Notice of Objection shall specify those items or amounts with which the Seller disagrees, together with a reasonably detailed written explanation of the reasons for disagreement with each such item or amount, and, to the extent reasonably practicable, shall set forth the Seller’s calculation of the Closing Working Capital based on such objections. (c) Unless the Seller delivers the Notice of Objection to the Buyer within the Review Period, the Seller shall be deemed to have accepted the Buyer’s calculation of the Closing Working Capital and the Closing Statement shall be final, conclusive and binding. If the Seller delivers the Notice of Objection to the Buyer within the Review Period, the Buyer and the Seller shall, during the thirty (30) calendar days following such delivery or any mutually agreed extension thereof, use their commercially reasonable efforts to reach agreement on the disputed items and amounts in order to determine the amount of the Closing Working Capital. The Buyer and the Seller shall make available to the Independent Expert all relevant books and records and other items reasonably requested by the Independent Expert for this purpose. The Buyer and the Seller shall request that the Independent Expert deliver to the Buyer and the Seller, as promptly as practicable but in no event later than forty-five (45) calendar days after its retention, a report that sets forth its resolution of the disputed items and amounts and its calculation of the Closing

Working Capital. The decision of the Independent Expert shall be final, conclusive and binding on the parties. The costs and expenses of the Independent Expert shall be borne by the parties in inverse proportion to their success on the disputed matters as determined by the Independent Expert. Each of the Buyer and the Seller agrees to promptly execute, if requested by the Independent Expert, a reasonable engagement letter, including customary indemnities in favor of the Independent Expert.

No such supplier has canceled or otherwise terminated, or threatened to cancel or otherwise terminate, its relationship with the Company. Neither the Seller nor the Company has received notice, whether oral or written, or otherwise has any Knowledge that any such supplier may cancel, terminate or otherwise materially and adversely modify its relationship with the Company or materially limit its services, supplies or materials to the Company, either as a result of the transactions contemplated herein or otherwise. Section 4.21 Products. Each product sold, distributed, rented, provided, shipped or licensed by the Company (collectively, the "Products") has been in conformity with all applicable contractual commitments and warranties, except for such failures that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect with respect to the Company. The Company 8-K Information shall not, on the Closing Date, to the Company's Knowledge, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading; or, to the Company's Knowledge, omit to state any material fact necessary to correct any statement provided by the Company in any earlier communication which has become false or misleading. No representation or warranty is made by the Company in this Section 4.25 with respect to statements made or incorporated by reference in the Proxy Statement or Form 8-K of the Buyer based upon information that was not supplied in writing by the Company or the Seller for inclusion or incorporation by reference in such Proxy Statement or Form 8-K of the Buyer. Section 5.3 No Conflict; Required Filings and Consents of the Buyer.

(a) Except for the receipt of the Stockholder Approval, the execution, delivery and performance by the Buyer of this Agreement and each of the Promissory Note Documents to which the Buyer is a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

(iii) conflict with, violate, result in any breach of, constitute a default (or an event that, with or without notice or lapse of time, or both, would become a default) under, require any consent of any Person pursuant to any Contract to which the Buyer is a party or by which its properties or asset is bound or affected;

except, in the case of clause (ii) or (iii), for any such conflicts, violations, breaches, defaults or other occurrences that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect with respect to the Buyer or that arise as a result of any facts or circumstances relating to the Seller or any of its Affiliates.

(b) The Buyer is not required to file, seek or obtain any Authorization of or with any Governmental Authority in connection with the execution, delivery and performance by the Buyer of this Agreement and each of the Promissory Note Documents to which the Buyer is a party, or the consummation of the transactions contemplated hereby and thereby, except for (i) any filings required to be made under the HSR Act, (ii) such filings as may be required by any applicable federal or state securities or “blue sky” laws, including the filing with the SEC of (A) the Proxy Statement and (B) the Form 8-K and other such reports under the Exchange Act as may be required in connection with this Agreement and the transactions contemplated herein, (iii) the filing for and obtaining of a new Medicare supplier number, (iv) where failure to file, seek or obtain such Authorizations, or to make such filing or notification, would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect with respect to the Buyer or (v) as may be necessary as a result of any facts or circumstances relating to the Seller or any of its Affiliates.

Section 5.4 No Conflict; Required Filings and Consents of the Acquisition Sub.

(a) Except for the receipt of the Stockholder Approval, the execution, delivery and performance by (I) the Acquisition Sub of this Agreement and (II) the Acquisition Sub and after the Effective Time, the Company, of the Promissory Note, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

except, in the case of clause (ii) or (iii), for any such conflicts, violations, breaches, defaults or other occurrences that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect with respect to the Acquisition Sub or that arise as a result of any facts or circumstances relating to the Seller or any of its Affiliates.

(b) The Acquisition Sub is not required to file, seek or obtain any Authorization of or with any Governmental Authority in connection with the execution, delivery and performance by (i) the Acquisition Sub of this Agreement and (ii) the Acquisition Sub and after the Effective Time, the Company, of the Promissory Note, or the consummation of the transactions contemplated hereby, except for (A) any filings required to be made under the HSR Act, (B) such filings as may be required by any applicable federal or state securities or “blue sky” laws, (C) where failure to file, seek or obtain such Authorizations, or to make such filing or notification, would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect with respect to the Acquisition Sub or (D) as may be necessary as a result of any facts or circumstances relating to the Seller or any of its Affiliates.

Section 5.5 Financing. Attached as Exhibit C is a true and correct copy of the Term Sheet relating to the Promissory Note Documents (the “Term Sheet”), pursuant to which the Seller hereby agrees, subject to the terms and conditions set forth therein, to provide the debt financing for the transactions contemplated by this Agreement (the “Financing”). The aggregate amounts to be provided by the Seller pursuant to the Financing, together with all other amounts that the Acquisition Sub will have on hand at the Closing, will be sufficient to permit the Buyer and the Acquisition Sub to consummate the transactions contemplated by this Agreement.

Section 5.6 Brokers. Except for FTN Midwest Securities Corp. and The Bank of New York, the fees of which will be paid by the Buyer, no broker, finder, financial advisor, intermediary or investment banker is entitled to any brokerage, finder’s or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Buyer or the Acquisition Sub.

Section 5.7 Investment Intent. The Buyer and the Acquisition Sub are acquiring the Shares for its own account for investment purposes only and not with a view to any public distribution thereof or with any intention of selling, distributing or otherwise disposing of the Shares in a manner that would violate the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”) or any applicable state securities laws. The Buyer and the Acquisition Sub agree that the Shares may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of without registration under the Securities Act and any applicable state securities laws, except pursuant to an exemption from such registration under the Securities Act and such laws. The Buyer and the Acquisition Sub are able to bear the economic risk of holding the Shares for an indefinite period (including total loss of its investment), and (either alone or together with its Representatives) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of its investment.

Section 5.8 Access to Information; No Other Representations or Warranties; the Acquisition Sub's and the Buyer's Own Investigation.

(a) Prior to the date hereof, each of the Buyer and the Acquisition Sub has reviewed or been afforded full opportunity to review all information provided to it by the Seller and the Company and has had the opportunity to ask questions of and receive answers to its satisfaction from the Seller, the Company and their Representatives concerning the Company and the Shares, and to obtain any additional information reasonably requested by it.

(b) Each of the Buyer and the Acquisition Sub has relied solely on its own review of the Company and the representations of the Seller and the Company made in Articles III and IV of this Agreement, respectively, and not on any other representations made by or on behalf of the Seller, the Company or their Representatives.

(c) EXCEPT AS OTHERWISE EXPRESSLY STATED TO THE CONTRARY IN THIS AGREEMENT, EACH OF THE BUYER AND THE ACQUISITION SUB ACKNOWLEDGES AND AGREES THAT IT SHALL, AT THE CLOSING ACCEPT THE PROPERTY AND ASSETS OF THE COMPANY IN AN "AS IS" AND "WHERE IS" CONDITION WITH ALL FAULTS, SUBJECT TO THE PROVISIONS OF SECTION 6.1. IN PARTICULAR, BUT WITHOUT LIMITATION, EACH OF THE BUYER AND THE ACQUISITION SUB ACKNOWLEDGES THAT EXCEPT FOR THE SELLER'S AND THE COMPANY'S EXPRESS REPRESENTATIONS AND WARRANTIES IN THIS AGREEMENT, THE SELLER AND THE COMPANY DO NOT MAKE AND THE SELLER, THE COMPANY, THEIR AFFILIATES AND REPRESENTATIVES HAVE NOT MADE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EITHER EXPRESS OR IMPLIED, INCLUDING ANY REPRESENTATION OR WARRANTY WHATSOEVER AS TO TITLE, MERCHANTABILITY, QUALITY, VALUE, CONDITION, SAFETY, CONFORMITY OR FITNESS FOR ANY PARTICULAR USE OR PURPOSE OF ANY ASSETS OR OTHER PROPERTIES OF THE COMPANY.

(d) EACH OF THE BUYER AND THE ACQUISITION SUB ACKNOWLEDGES THAT, EXCEPT FOR THE SELLER'S AND THE COMPANY'S EXPRESS REPRESENTATIONS AND WARRANTIES IN THIS AGREEMENT, IT IS ENTERING INTO THIS AGREEMENT AND WILL PERFORM ITS OBLIGATIONS HEREUNDER ON THE BASIS OF ITS OWN INVESTIGATION, JUDGMENT AND CONCLUSIONS OF THE VALUE OF THE COMPANY AND THE BUSINESS AND THE CONDITION OF THE PROPERTY, ASSETS, BUSINESS AND OPERATIONS OF THE COMPANY AND OF ALL OTHER MATTERS RELATING TO SUCH VALUE AND SUCH PROPERTY, ASSETS, BUSINESS AND OPERATIONS.

Section 5.9 Buyer Information and Proxy Solicitation. All information contained in the Proxy Statement other than the Company Proxy Information shall not on the date the Proxy Statement is first mailed to the Buyer's stockholders, and at the time of the Buyer Stockholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading; or omit to state any material fact necessary to correct any statement which has become false or misleading. The solicitation of proxies pursuant to the Proxy Statement and the seeking of the Stockholder Approval will be

conducted by the Buyer and the Acquisition Sub in compliance with the Buyer's and the Acquisition Sub's organizational documents and all applicable Laws in all respects. All information contained in the Form 8-K other than the Company 8-K Information shall not, on the Closing Date, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading; or omit to state any material fact necessary to correct any statement which has become false or misleading.

Section 5.10 No Knowledge of Breaches. Subject to the provisions of Section 6.3, the Buyer and the Acquisition Sub have no actual knowledge that any of the representations or warranties made by the Seller and/or the Company are untrue, incomplete or inaccurate.

Section 6.2 Covenants Regarding Information.

(a) From the date hereof until the Closing Date, upon reasonable notice, the Company shall afford the Buyer, the Acquisition Sub and their respective officers, employees, agents, accountants, advisors, bankers, financing sources and other representatives (collectively, "Representatives") reasonable access to the Representatives, properties, offices and other facilities, books and records of the Company, and the Company shall furnish the Buyer or the Acquisition Sub with such financial, operating and other data and information as the Buyer or the Acquisition Sub may reasonably request (including the right to make photocopies of all documents at the Buyer's or the Acquisition Sub's expense); provided, however, that any such access or furnishing of information shall be conducted at the Buyer's or the Acquisition Sub's expense, during normal business hours, under the supervision of the Seller's or the Company's personnel and in such a manner as not unreasonably to interfere with the normal operations of the Company. Notwithstanding anything to the contrary in this Agreement, the Company shall not be required to disclose any information to the Buyer, the Acquisition Sub or their respective Representatives or provide the Buyer, the Acquisition Sub or their respective Representatives access to the Company's properties, offices and other facilities if such disclosure or access would, in the Company's reasonable discretion after consultation with legal counsel, (i) jeopardize any attorney-client or other legal privilege, (ii) contravene any applicable Laws, fiduciary duty or binding agreement entered into prior to the date hereof, provided that, if reasonably requested by the Buyer or the Acquisition Sub and at the Buyer's or the Acquisition Sub's expense, the Company and the Seller shall use their commercially reasonable efforts to obtain such consents and waivers (as applicable) as are necessary or appropriate to provide any such restricted information to the Buyer, the Acquisition Sub and their respective Representatives.

(b) In order to facilitate the resolution of any claims made against or incurred by the Seller (as it relates to the Company), for a period of seven years after the Closing or, if shorter, the applicable period specified in the Buyer's document retention policy, the Buyer shall (i) retain the books and records relating to the Company relating to periods prior to the Closing and (ii) afford the Representatives of the Seller reasonable access (including the right to make photocopies at the Seller's expense), during normal business hours, to such books and records; provided, however, that the Buyer shall notify the Seller in writing at least thirty (30) calendar days in advance of destroying any such books and records prior to the seventh anniversary of the Closing Date in order to provide the Seller the opportunity to take possession of or copy such books and records in accordance with this Section 6.2(b).

(c) In order to facilitate the resolution of any claims made against or incurred by the Buyer or the Company, for a period of seven years after the Closing or, if shorter, the applicable period specified in the Seller's document retention policy, the Seller shall (i) retain the books and records relating to the Company relating to periods prior to the Closing which shall not otherwise have been delivered to the Buyer and (ii) upon reasonable notice, afford the Representatives of the Buyer reasonable access (including the right to make photocopies at the Buyer's expense), during normal business hours, to such books and records; provided, however, that the Seller shall notify the Buyer in writing at least thirty (30) calendar days in advance of destroying any such books and records prior to the seventh anniversary of the Closing Date in order to provide the Buyer the opportunity to take possession of or copy such books and records in accordance with this Section 6.2(c).

Section 6.3 Update of Disclosure Schedules: Knowledge of Breach.

(a) Each party (it being understood and agreed that, for purposes of this Section 6.3, the Seller and the Company shall be deemed to be one party, and the Buyer and the Acquisition Sub shall be deemed to be the other party) shall each, from time to time prior to the Closing, supplement or amend (promptly after discovery thereof) by written notice delivered to the other party its Disclosure Schedules (each, an “Update”) with respect to any matter hereafter arising or discovered which if existing or known at the date of this Agreement would have been required to be set forth or described in such party’s Disclosure Schedules and also with respect to events or conditions arising after the date hereof and prior to the Closing which would cause any representation or warranty of such amending party contained in this Agreement to be untrue or inaccurate. Any such supplemental or amended disclosure shall be deemed to have cured, as of the twentieth (20th) calendar day from the date of such Update or, if the party not providing the Update elects to proceed with the Closing and the Closing occurs, the Closing Date, any breach of any representation or warranty made in this Agreement solely for purposes of determining the satisfaction of the conditions set forth in Section 9.2(a), in the case that the Buyer and/or the Acquisition Sub is the updating party, or Section 9.3(a), in the case that the Seller and/or the Company is the updating party; provided, that (i) no Update shall be deemed to have cured any breach of any representation or warranty made in this Agreement for purposes of the indemnification provisions set forth in Article VII, (ii) upon receipt of an Update by any party, written notice may be provided within the twenty-day period set forth in the immediately preceding sentence by the Seller pursuant to Section 10.1(b)(i), if the Buyer and/or the Acquisition Sub is the updating party, or by the Buyer pursuant to Section 10.1(b)(ii), if the Seller and/or the Company is the updating party, if the non-updating party elects not to waive the matter(s) contained in the Update, and termination of this Agreement is otherwise permitted pursuant to the terms set forth in Article X and (iii) in the event such twenty-day period, beginning upon delivery of an Update, extends past the Termination Date, the Termination Date shall automatically be extended to be the last day of such twenty-day period.

(b) If prior to the Closing, (i) the Seller and/or the Company shall have actual knowledge that any breach of a representation or warranty of the Buyer and/or the Acquisition Sub has occurred (other than through notice from the Buyer or the Acquisition Sub), the Seller or the Company shall promptly so notify the Buyer and the Acquisition Sub, in reasonable detail and (ii) the Buyer and/or the Acquisition Sub shall have actual knowledge that any breach of a representation or warranty of the Seller or the Company has occurred (other than through notice from the Seller or the Company), the Buyer or the Acquisition Sub shall promptly so notify the Seller and the Company, in reasonable detail. For the avoidance of doubt, (i) no notice delivered pursuant to this Section 6.3(b) shall constitute a waiver of any rights of the notifying party pursuant to Article VII or Article X and (ii) upon receipt of a notice pursuant to this Section 6.3(b), the receiving party may provide an Update pursuant to Section 6.3(a).

Section 6.4 Notification of Certain Matters.

(a) The Seller shall give prompt notice to the Buyer of (i) any fact, event or circumstance known to it that individually or taken together with all other facts, events and circumstances known to it, has resulted or is reasonably likely to result in the failure of any condition precedent set forth in Article IX or (ii) any notice or other communication from any

third party alleging that the consent of such third party is or may be required in connection with the transactions contemplated herein; provided however, that except as otherwise provided in Section 6.3(a), (A) the delivery of any notice by the Seller pursuant to this Section 6.4(a) shall not limit or otherwise affect any remedies available to the Buyer or prevent or cure any misrepresentations, breach of warranty or breach of covenant by the Seller or the Company and (B) disclosure by the Seller pursuant to this Section 6.4(a) shall not be deemed to amend or supplement any Disclosure Schedule or constitute an exception to any representation or warranty.

(b) If at any time prior to the Closing Date, any event relating to the Company or any of its Affiliates, officers or directors should be discovered by the Company which should be set forth in a supplement to the Proxy Statement, the Company shall promptly inform the Buyer and cooperate in the preparation of any required supplement to the Proxy Statement.

(c) The Buyer shall give prompt notice to the Seller of (i) any fact, event or circumstance known to it that individually or taken together with all other facts, events and circumstances known to it, has resulted or is reasonably likely to result in the failure of any condition precedent set forth in Article IX or (ii) any notice or other communication from any third party alleging that the consent of such third party is or may be required in connection with the transactions contemplated herein; provided however, that except as otherwise provided in Section 6.3(a), (A) the delivery of any notice by the Buyer pursuant to this Section 6.4(c) shall not limit or otherwise affect any remedies available to the Seller or prevent or cure any misrepresentations, breach of warranty or breach of covenant by the Buyer and (B) disclosure by the Buyer pursuant to this 6.4(c) shall not constitute an exception to any representation or warranty.

Section 6.5 No Solicitation. If this Agreement is terminated prior to the Closing, each of the Buyer and the Acquisition Sub shall not, and it shall cause its Affiliates not to, for a period of two years thereafter, without the prior written consent of the Seller (which consent shall not be unreasonably withheld, delayed or conditioned), directly or indirectly solicit (other than a solicitation by general advertisement) the employment or engagement of services of, any person who is or was employed as an employee, contractor or consultant by the Company or the Seller during such period on a full- or part-time basis. The parties hereto agree that if this Agreement is terminated prior to the Closing, this Section 6.5 shall replace and supersede the no solicitation provisions set forth in the confidentiality agreement, dated as of May 3, 2006, between the Buyer and the Seller (the "Confidentiality Agreement"), and that subject to Section 6.6 below, all other terms contained in the Confidentiality Agreement shall continue in full force and effect. Each of the Buyer and the Acquisition Sub agrees that any remedy at law for any breach by the Buyer or the Acquisition Sub of this Section 6.5 would be inadequate, and that the Seller and the Company would be entitled to injunctive relief in such a case. If it is ever held that this restriction on the Buyer and the Acquisition Sub is too onerous and is not necessary for the protection of the Company and the Seller, the Buyer and the Acquisition Sub agree that any court of competent jurisdiction may impose such lesser restrictions which such court may consider to be necessary or appropriate properly to protect the Company and the Seller.

Section 6.6 Confidentiality.

(a) Subject to applicable Law and the Buyer's obligations with respect to the Proxy Statement, each of the parties shall hold, and shall cause its Representatives to hold, in confidence all documents and information furnished to it by or on behalf of the other parties in connection with the transactions contemplated hereby pursuant to the terms of the Confidentiality Agreement, which shall continue in full force and effect until the Closing Date, at which time such Confidentiality Agreement and the obligations of the parties under this Section 6.6(a) shall terminate; provided, however, that after the Closing Date, the Confidentiality Agreement shall not terminate in respect of that portion of the Evaluation Material (as defined in the Confidentiality Agreement) exclusively relating to the Seller. If for any reason this Agreement is terminated prior to the Closing Date, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

(b) From and after the Closing, the Seller will, and will cause its Affiliates to, hold, and will use its reasonable best efforts to cause its Representatives to hold, in confidence any and all information, whether written or oral, concerning the Company, except as contemplated by any Ancillary Agreement or necessary to file Returns and other reports to Governmental Authorities, including, without limitation, the SEC, and except to the extent that the Seller can show that such information (i) is in the public domain through no fault of the Seller or any of its Affiliates or (ii) is lawfully acquired by the Seller or any of its Affiliates after the Closing from sources which are not known by the Seller to be prohibited from disclosing such information by any legal, contractual or fiduciary obligation. If the Seller or any of its Affiliates or Representatives is compelled to disclose any such information by judicial or administrative process or by other requirements of Law, the Seller shall promptly notify the Buyer in writing, to the extent permitted by applicable Law, and shall disclose only that portion of such information which the Seller is advised by its counsel is legally required to be disclosed, provided that, if requested by the Buyer, the Seller shall, at the Buyer's expense, exercise its commercially reasonable efforts to obtain an appropriate protective order or other reasonable assurance that confidential treatment will be accorded such information.

Section 6.7 Consents and Filings; Further Assurances.

(a) Each of the parties shall use all commercially reasonable efforts to take, or cause to be taken, all appropriate action to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement, the Ancillary Agreements and the Promissory Note Documents as promptly as practicable, including to (i) finalize and agree upon the definitive Promissory Note Documents, (ii) obtain from Governmental Authorities and other Persons all consents, approvals, authorizations, qualifications and orders as are necessary for the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements and (iii) promptly make all necessary filings, and thereafter make any other required submissions, with respect to this Agreement required under the HSR Act or any other applicable Law. Each party shall cooperate with and promptly furnish information to the other party necessary in connection with any requirements imposed upon such other party in connection with the consummation of the transactions contemplated herein. Each of the Seller and the Buyer shall furnish to each other's counsel such necessary information and reasonable assistance as the other may request in

connection with its preparation of any filing or submission that may be necessary under the HSR Act and any other antitrust, competition, or trade regulation Laws.

(b) Each of the parties shall promptly notify the other parties of any communication it or any of its Affiliates receives from any Governmental Authority relating to the matters that are the subject of this Agreement and permit the other parties to review in advance any proposed communication by such party to any Governmental Authority. No party to this Agreement shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry unless it consults with the other parties in advance and, to the extent permitted by such Governmental Authority, gives the other parties the opportunity to attend and participate at such meeting. Subject to the Confidentiality Agreement, the parties will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other parties may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods including under the HSR Act. Subject to the Confidentiality Agreement, the parties will provide each other with copies of all correspondence, filings or communications between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated hereby.

(c) The Buyer acknowledges that, in order for it to operate the Business as it had been operated prior to the Closing, the Buyer may be required to apply for and obtain a new Medicare supplier number from the relevant Governmental Authority for the Company subsequent to the Closing. The Seller and the Company shall use commercially reasonable efforts to assist the Buyer in obtaining such Medicare supplier number.

(d) Without limiting the generality of the Company's and the Seller's undertaking pursuant to Section 6.2(a), the Company and the Seller shall, and shall request each of their respective Representatives to, provide all cooperation reasonably requested by the Buyer or the Acquisition Sub in connection with the Buyer's or the Acquisition Sub's efforts to obtain financing alternative to, or to replace, the Financing, including (i) requesting the Seller's independent accountants to provide reasonable assistance to the Buyer or the Acquisition Sub at the Buyer's expense, (ii) requesting the Seller's attorneys to provide reasonable assistance to the Buyer or the Acquisition Sub at the Buyer's expense, (iii) using commercially reasonable efforts to obtain landlord waivers, mortgagee waivers, bailee acknowledgements and other similar third-party documents required by the financiers providing such financing and (iv) executing and delivering any pledge and security documents, other definitive financing documents, or other requested certificates or documents.

Section 6.8 Public Announcements. On and after the date hereof and through the Closing Date, the parties shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement, the Financing or the transactions contemplated hereby or thereby, and none of the parties shall issue any press release or make any public statement prior to obtaining the other parties' written approval, which approval shall not be unreasonably withheld, delayed or conditioned, except that no such approval shall be necessary to the extent disclosure may be required by applicable Law or any listing agreement of any party hereto.

Section 6.9 Release of Guarantees. The parties hereto agree to cooperate and use all commercially reasonable efforts to obtain the release of the Seller or its Affiliates that are a party to each of the guarantees, performance bonds, bid bonds and other similar agreements listed in Schedule 6.9 of the Disclosure Schedules (the “Guarantees”). In the event any of the Guarantees are not released prior to or at the Closing, the Buyer will provide the Seller at the Closing with a guarantee that indemnifies and holds the Seller and its Affiliates that are a party to each such Guarantee harmless for any and all payments required to be made under, and costs and expenses incurred in connection with, such Guarantee by the Seller or its Affiliates that are a party to such Guarantee until such Guarantee is released.

Section 6.10 Directors’ and Officers’ Indemnification.

(a) From and after the Closing Date, the Buyer shall, and shall cause the Company to, indemnify, defend and hold harmless each person who is now, or has been at any time prior to the date hereof or who becomes prior to the Closing Date, an officer or director of the Company (the “D&O Indemnified Parties”) against any and all losses, damages, liabilities, deficiencies, claims, interest, awards, judgments, penalties, fines, costs and expenses (including actual attorneys’ fees, costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) arising out of or relating to any threatened or actual Action, based in whole or in part upon or arising out of or relating in whole or in part to the fact that such person is or was a director or officer of the Company, whether pertaining to any matter existing or occurring at or prior to the Closing Date and whether asserted or claimed prior to, or at or after the Closing Date (the “D&O Indemnified Liabilities”), including all D&O Indemnified Liabilities based in whole or in part upon, or arising in whole or in part out of, or relating to this Agreement or the transactions contemplated hereby, in each case to the full extent the Company is permitted under applicable Law and its articles of incorporation and bylaws as in effect as of the date hereof to indemnify its own directors or officers (and the Buyer shall, and shall cause the Company to, pay expenses in advance of the final disposition of any such Action to each D&O Indemnified Party to the extent permitted under applicable Law and the Company’s articles of incorporation and bylaws as in effect on the date hereof, provided that any person to whom expenses are advanced provides an undertaking in writing to repay such advances if it is determined by a court of competent jurisdiction that such person is not entitled to indemnification). Without limiting the foregoing, in the event any such Action, is brought against any D&O Indemnified Party (whether arising before or after the Closing Date), (i) the D&O Indemnified Party may retain counsel satisfactory to it and reasonably satisfactory to the Buyer, and the Buyer shall, and shall cause the Company to, pay all fees and expenses of such counsel for the D&O Indemnified Party promptly as statements therefor are received to the extent permitted under applicable Law and the Company’s articles of incorporation and bylaws as in effect on the date hereof, provided that any person to whom expenses are advanced provides an undertaking in writing to repay such advances if it is determined by a court of competent jurisdiction that such person is not entitled to indemnification and (ii) the Buyer, the Company and each D&O Indemnified Party will use all reasonable efforts to assist in the defense of any such matter; provided, that neither the Company nor the Buyer shall be liable for any settlement effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned. Any D&O Indemnified Party wishing to claim indemnification under this Section 6.10 shall promptly notify the Buyer upon learning of any such claim, action, suit, proceeding or investigation (but the failure so to notify shall not relieve a

party from any liability which it may have under this Section 6.10 except to the extent such failure prejudices such party). The parties hereto agree that all rights to indemnification hereunder, including provisions relating to advances of expenses incurred in defense of any such Action existing in favor of the D&O Indemnified Parties with respect to matters occurring through the Closing Date shall continue in full force and effect until the sixth anniversary of the Closing Date; provided that if any Action (whether arising before, at or after the Closing) is made against any D&O Indemnified Party on or prior to the sixth anniversary of the Closing and such D&O Indemnified Party provides notice to the Buyer in accordance with this Section 6.10, the provisions of this Section 6.10 shall continue in effect until the final disposition of such claim, action, proceeding or investigation.

(b) Each of the Buyer and the Acquisition Sub covenants, for itself and its successors and assigns, that it and they shall not institute any action or proceeding in any court or before any administrative agency or before any other tribunal against any of the current directors of the Company, in their capacity as such, with respect to any liabilities, Actions or causes of action, judgments, claims or demands of any nature or description (consequential, compensatory, punitive or otherwise), in each such case to the extent resulting from their approval of this Agreement or any Ancillary Agreement or the transactions contemplated hereby or thereby.

(c) The Company shall not take any action directly or indirectly to disaffirm or adversely affect the provisions of the articles of organization and bylaws and any other written agreements of the Company that provide indemnification of and expense reimbursement to any D&O Indemnified Party.

Section 6.11 Employee Matters.

(a) The Buyer shall provide, or cause to be provided, to the individuals who are actively employed by the Company on the Closing Date (the "Affected Employees"), for a period of twelve (12) months following the Closing Date, compensation and employee benefits, which, in the aggregate, are not less favorable than those currently provided by the Company to the Affected Employees, determined without regard to equity incentive compensation and retention bonuses provided to the Affected Employee prior to the Closing. From and after the Closing Date, the Buyer shall cause the Company to honor the Company Employee Plans in accordance with their terms. Nothing contained in this Section 6.11 shall be construed as requiring the Buyer or the Company to continue any specific employee benefit plans or to continue the employment of any specific person, or prevent the Buyer or the Company from modifying or terminating any Company Employee Plan, or otherwise modifying the terms and conditions of an Affected Employee's employment.

(b) To the extent that the Affected Employees become eligible to participate in any employee benefit plan, program or arrangement maintained by the Buyer or any of its Affiliates, the Buyer shall cause the Affected Employees to receive credit for all periods of employment and/or service with the Company (including service with predecessor employers, where such credit was provided by the Company) prior to the Closing Date for all purposes (except for benefit accrual under a defined benefit pension plan), to the extent such credit does not result in a duplication of benefits. The Buyer shall and shall cause the Company to honor all

unused vacation, holiday, sickness and personal days accrued by the employees of the Company under the policies and practices of the Company.

(c) The Buyer shall cause all welfare benefit plans (including medical, dental, life insurance, and short- and long-term disability benefit plans) in which Affected Employees participate following the Closing to (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Affected Employees and their covered dependents under such plan (except to the extent that such conditions, exclusions or waiting periods would apply under the Company's plans as in existence prior to the Closing) and (ii) provide each Affected Employee and his or her covered dependents with credit for any copayments and deductibles paid prior to the Closing in satisfying any applicable deductible or out-of-pocket requirements under such plans.

(d) The Seller shall assume, and the Buyer and the Acquisition Sub shall have no responsibility for, any and all liabilities of the Company to pay bonuses under any Company Employee Plan that become payable by reason of the consummation of the transactions contemplated by this Agreement, provided, however, the Seller's obligations under this Section 6.11(d) shall be deemed fully satisfied to the extent (i) all such liabilities to pay such bonuses are accrued as Current Liabilities in the calculation of Closing Working Capital, and (ii) the Company has sufficient cash on hand at the Closing Date to fully satisfy such liabilities.

(e) The Seller shall provide only the Affected Employees listed on Schedule 6.11(e) of the Disclosure Schedules with full vesting of any award or benefit under any Seller Employee Plan where such vesting was otherwise conditioned upon the future performance of services with the Seller, including under any Seller Employee Plan that is intended to be tax-qualified under section 401(a) of the Code and under any related non-qualified plan and any Seller Employee Plan that provides for stock-based compensation.

(f) The Seller shall retain, and the Buyer shall have no responsibility for, any and all liabilities that have arisen or may arise with respect to any Seller Employee Plan. Without limiting the scope of the foregoing, the Seller shall assume and be responsible for (i) claims for workers compensation or for the type of benefits described in Section 3(1) of ERISA (whether or not covered by ERISA) that are incurred on or prior to the Closing Date by any employee or former employee of the Company (or their beneficiaries and dependents) and arising under any Seller Employee Plan and (ii) claims relating to "COBRA" coverage attributable to "qualifying events" occurring on or prior to the Closing Date with respect to any employee or former employee of the Company (or their beneficiaries and dependents). For purposes of the foregoing, a medical/dental claim shall be considered incurred when the medical services are rendered or medical supplies are provided, and not when the condition arose; provided that claims relating to a hospital confinement that commences on or prior to the Closing Date but continues thereafter shall be treated as incurred on or prior to the Closing Date. A disability or workers compensation claim shall be considered incurred on or prior to the Closing Date if the injury or condition giving rise to the claim occurs on or prior to the Closing Date.

(g) Prior to the Closing, the Seller shall advise the Buyer and the Acquisition Sub of any and all Contracts of the Company that would reasonably be expected to trigger the payment of any "excess parachute payment" within the meaning of Section 280G of the Code.

Section 6.12 Non-Competition.

(a) During the period commencing immediately after the Closing and ending on the third anniversary of the Closing Date (the “Noncompetition Period”) (unless only a shorter maximum period is permitted by applicable Law, in which case, during such shorter period), the Seller shall not, and shall cause its Affiliates (the Seller together with its Affiliates, the “Restricted Entities”) not to, engage, directly or indirectly, in any capacity, have any direct or indirect ownership interest in, manage, operate, finance or control any business anywhere in the United States which is engaged, either directly or indirectly, in the Restricted Business.

(b) Notwithstanding any provision to the contrary in this Section 6.12, any Restricted Entity may:

(i) purchase or otherwise acquire by merger, purchase of assets, stock or controlling interest or otherwise, or engage in any similar merger and acquisition activity with, any Person or business that engages in the Restricted Business and thereafter continue such Person’s business, so long as at the time of such acquisition, the revenues derived from that portion of the acquired Person that engages in the Restricted Business constitute less than 15% of the annual gross revenues of the acquired Person;

(ii) acquire, own or manage for the account of third parties through a mutual fund, employee benefit plan, trust account or similar investment pool or vehicle, any class of security of any Person regardless of whether such Person engages in the Restricted Business (so long as such investment is solely passive in nature and made only for investment purposes);

(iii) hold or make any equity investment in any Person in which (x) no Restricted Entity has a right to designate a majority, or such higher amount constituting a controlling number, of the members of the board of directors (or similar governing body) of such Person, and (y) such Restricted Entity holds not more than 10% of the outstanding voting securities or similar equity interest in such Person; provided, that no Restricted Entity controls the management of such Person; or

(iv) for the avoidance of doubt, engage in manufacturing of any kind and any selling, marketing, distributing, supplying, renting, third party billing or any other business activity in the fields of pain management, wound site management or post-operative surgical treatments.

(c) In the event any Affiliate of the Seller ceases to be an Affiliate of the Seller (or any of its successors and assigns), the provisions of this Section 6.12 shall no longer apply to such Person.

(d) If the Seller is purchased or otherwise acquired by merger, purchase of assets, stock or controlling interest or otherwise, by any Person that is not an Affiliate of the Seller immediately prior to the execution of the definitive agreement relating to such purchase or other acquisition, then (i) such Person and its Affiliates shall not be deemed Restricted Entities for the purposes of this Section 6.12 and (ii) the restrictions set forth in Section 6.12(e) and (f) shall not apply to such Person and its Affiliates.

(e) The Seller covenants that, during the Noncompetition Period, the Seller shall not, and it shall cause its current Affiliates not to, directly or indirectly, solicit or entice any clients or customers of the Company to engage in any business relationship which could reasonably be expected to materially harm the Restricted Business.

(f) The Seller covenants that, during the period commencing from the Closing Date and ending on the second anniversary of the Closing Date, without the prior written consent of the Buyer (which consent shall not be unreasonably withheld, delayed or conditioned), the Seller shall not, and it shall cause its Affiliates not to, directly or indirectly solicit (other than a solicitation by general advertisement) the employment or engagement of services of, any person who is or was employed as an employee, contractor or consultant by the Company during such period on a full- or part-time basis.

(g) If a court of competent jurisdiction determines that the character, duration or geographical scope of the provisions of this Section 6.12 is unreasonable, it is the intention and the agreement of the parties that such court shall be empowered to reform such provisions, in such jurisdiction to the extent that comes closest to the intentions of the parties with respect to such unreasonable term or provision. The covenants contained in this Section 6.12 are severable and distinct covenants and provisions. The invalidity or unenforceability of any such covenant or provision as written shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

(h) The Seller acknowledges that the covenants of the Seller set forth in this Section 6.12 are an essential element of this Agreement and that any breach by the Seller of any provision of this Section 6.12 will result in irreparable injury to the Buyer. The Seller acknowledges that in the event of such a breach, in addition to all other remedies available at law, the Buyer shall be entitled to equitable relief, including injunctive relief, and an equitable accounting of all earnings, profits or other benefits arising therefrom, as well as such other damages as may be appropriate.

Section 6.13 Intercompany Liabilities: Release of Encumbrances. Immediately prior to the Closing, all liabilities owed by or to the Company to or from the Seller or any of its Affiliates shall be canceled without payment, in full and complete satisfaction of such liabilities. Prior to the Closing Date, the Seller shall have caused to be released all Encumbrances (other than Permitted Encumbrances) in and upon any of the properties and assets of the Company or the Shares.

Section 6.14 Insurance.

(a) To the extent that the Seller shall be entitled under the terms and conditions of “occurrence” based policies in effect on or prior to the Closing Date to coverage for losses suffered by the Company after the Closing arising out of any occurrences covered by such policies occurring prior to the Closing, the Seller shall, and shall cause its Subsidiaries to, use such efforts and take such actions to recover such losses on behalf of the Company pursuant to such policies as it would use or take in conducting its own business in the ordinary course if such losses were suffered by the Seller or any of its Subsidiaries, and shall deliver the proceeds

thereby recovered to the Company. In the event of any dispute regarding the date of any loss or occurrence, the terms of the applicable policy shall govern.

(b) Following the Closing, the Buyer shall provide, and shall cause the Company to provide, the Seller with all records and other information necessary for the reporting, investigation, negotiation and, if applicable, prosecution of any claim made by the Seller pursuant to this Section 6.14.

Section 6.15 Exclusivity. Except with respect to this Agreement and the transactions contemplated hereby, the Seller agrees that it will not, and it will cause the Company and their respective directors, officers, employees, Affiliates and other agents and Representatives (including any investment banking, legal or accounting firm retained by it or any of them and any individual member or employee of the foregoing) (each, an “Agent”) not to: (a) initiate, solicit or seek, directly or indirectly, any inquiries or the making or implementation of any proposal or offer (including any proposal or offer to its stockholders or any of them) with respect to a merger, acquisition, consolidation, recapitalization, liquidation, dissolution, equity investment or similar transaction involving, or any purchase of all or any substantial portion of the assets or any equity securities of, the Company (any such proposal or offer being hereinafter referred to as a “Proposal”); (b) engage in any negotiations concerning, or provide any confidential information or data to, or have any substantive discussions with, any person relating to a Proposal; (c) otherwise cooperate in any effort or attempt to make, implement or accept a Proposal; or (d) enter into Contract with any Person relating to a Proposal. The Seller shall notify the Buyer or the Acquisition Sub immediately if any inquiries, proposals or offers related to a Proposal are received by, any confidential information or data is requested from, or any negotiations or discussions related to a Proposal are sought to be initiated or continued with, the Seller, the Company or any of their respective directors, officers, employees and Affiliates or, to its knowledge, any other Agent. Notwithstanding anything in this Section 6.15 to the contrary, the Seller shall not be restricted in any way from participating in any discussions or negotiations, or entering into any agreements, in connection with any transaction which pertains or relates to the acquisition, merger, recapitalization or any other business combination involving the Seller or any Affiliate of the Seller (other than the Company).

Section 6.16 No Claim Against Trust Fund. Each of the Seller and the Company hereby acknowledges that it understands that the Buyer has established a trust account at JPMorgan Chase Bank, N.A. (the “Trust Account”), initially in an amount of approximately \$96,200,000 (including deferred underwriting discount and commission of \$5,468,000), for the benefit of the Buyer’s public stockholders and that the Buyer may disburse monies from the Trust Account only (a) to the Buyer’s public stockholders (i) in the event they elect to exercise their Conversion Rights, or (ii) in the event of the liquidation of the Buyer, (b) to the Buyer concurrently with the consummation of a business combination, as described in the Prospectus (a “Business Combination”), or (c) solely with respect to underwriter’s deferred discounts and commissions placed in the Trust Account, to FTN Midwest Securities Corp. after consummation of a Business Combination. Each of the Seller and the Company hereby agrees that it does not have any right, title, interest or claim of any kind in or to any monies in the Trust Account (the “Claims”) and waives any Claim it may have in the future as a result of, or arising out of, any negotiations, Contracts with the Buyer and will not seek recourse against the Trust Account for any reason whatsoever.

Section 6.17 Provision of Sufficient Cash. Each of the Buyer and the Acquisition Sub acknowledges that immediately prior to the Closing, the Seller may cause the Company's cash balance to be reduced to an amount equal to or close to zero. Each of the Buyer and the Acquisition Sub hereby agrees that, immediately after the Closing, it shall, or shall cause its Affiliates with the necessary financial wherewithal to, provide cash to the Company in an amount sufficient to allow the Company to (i) have capital sufficient to carry on the Business substantially as engaged prior to the Closing, (ii) pay all of its creditors existing as of the Closing Date in the ordinary course of its business and (iii) continue as a going concern.

Section 6.18 Preparation of Proxy Statement; Stockholders Meeting. The Seller will cause the Company to deliver to the Buyer the Company Proxy Information as promptly as reasonably practicable after the execution of this Agreement for inclusion in the Proxy Statement. The Buyer shall prepare and promptly file with the U.S. Securities and Exchange Commission (the "SEC"), but in no event later than (i) October 13, 2006 or (ii) five (5) Business Days after delivery of the Company Proxy Information by the Seller, whichever is later (the "Filing Deadline"), the Proxy Statement in preliminary form or such other form, statement or report as may be required under the federal securities laws. Following its clearance by the SEC, the Buyer shall distribute the Proxy Statement to the Buyer's stockholders and, pursuant thereto duly call, give notice of, convene and hold the Buyer's Stockholder Meeting as promptly as reasonably practicable in accordance with applicable Law for the purpose of seeking the Stockholder Approval. The Buyer, through its Board of Directors, shall recommend to its stockholders that they adopt and approve this Agreement and the transactions contemplated herein and, subject to applicable Law and its fiduciary duties, shall not withdraw or modify its recommendation. The Company and the Seller shall cooperate with the Buyer in the filing, preparation and distribution of the Proxy Statement. All fees and expenses incurred by the Buyer, the Seller or the Company (other than the audit fees described in Section 6.23) in connection with the preparation of the Proxy Statement and obtaining the Stockholder Approval shall be borne by the Buyer, including, without limitation, all related fees and expenses of counsel to the Seller and the Company and all other fees and expenses incurred by the Seller and the Company in performing their obligations under this Section 6.18. The Buyer shall pay such fees and expenses described in the immediately preceding sentence within twenty (20) calendar days following receipt by the Buyer of a reasonably detailed invoice relating thereto.

Section 6.19 Property of the Company. To the extent any property or assets of the Company (other than the books or records which are the subject of Section 6.2(b)) are in the possession of the Seller or its Affiliates or their respective Representatives as of the date hereof and are used in the Business, the Seller shall cause such property or assets to be delivered to the Company prior to the Closing.

Section 6.20 Company 8-K Information. At or prior to the Closing, the Seller will cause the Company to provide to the Buyer the Company 8-K Information, at the Buyer's expense.

Section 6.21 Assignment of Non-Disclosure Agreements. At the Closing, the Seller shall exercise commercially reasonable efforts to assign to the Company all of the Seller's rights and obligations under any non-disclosure or confidentiality agreements that the Seller has entered into with potential purchasers of the Company, to the extent permitted by the terms of

such agreements and to the extent such non-disclosure agreements relate to the Company and confidential information of the Company. To the extent assignment is not permitted by the terms of such non-disclosure or confidentiality agreements, the Seller will, at the Buyer's or the Acquisition Sub's request and expense, use its reasonable commercial efforts to enforce or cause to be enforced each such agreement. The Seller shall deliver copies of the assigned agreements to the Buyer at the Closing.

Section 6.22 Use of Name. Upon the Closing, the Seller shall, and shall cause all of its Affiliates to, immediately cease use of the trade name and trademark "InfuSystem" (the "Company Mark"), or any confusingly similar variation thereof. The Seller will not at any time, or induce or assist others to, attempt to register the Company Mark, or any confusingly similar variation thereof, with the U.S. Patent and Trademark Office, or any other relevant Governmental Authority in the United States or any foreign jurisdiction, as a trade name, corporate name, or internet domain name, or challenge or contest the validity of Company's ownership of the Company Mark.

Section 6.23 Audit Fees and Costs. Fifty percent (50%) of all fees and costs paid to auditors by the Seller and/or the Company relating to the audit of the Company's financial statements as of and for the years ended December 31, 2003 and December 31, 2004 shall be borne by the Buyer. All fees and costs incurred in connection with the audit of Company's financial statements as of and for the year ended December 31, 2005 shall be borne by the Seller.

The Buyer shall cause the Guarantors to (i) execute and deliver the Personal Guaranty to the Seller as of the date of this Agreement and (ii) arrange for and deliver to the Seller, within fifteen (15) calendar days from the date hereof, letters of credit in an aggregate amount equal to three million dollars (US \$3,000,000.00), in form and substance reasonably satisfactory to the Seller, which letters of credit shall provide for, among other matters, drawing upon delivery of a certificate from an authorized officer of the Seller certifying that the Termination Fee has not been paid when due and payable.

- (d) any fees, expenses or other payments incurred or owed by the Buyer or the Acquisition Sub to any agent, broker, investment banker or any other firm or person retained or employed it in connection with the transactions contemplated by this Agreement; and
- (e) any matter relating to the Proxy Statement and the Stockholder Approval except to the extent such Losses arose directly out of, were incurred directly in connection with or directly resulted from any Company Proxy Information in the written form provided by the Seller or the Company.

Section 7.4 Procedures.

(a) In order for a Buyer Indemnified Party or Seller Indemnified Party (the “Indemnified Party”) to be entitled to any indemnification provided for under this Agreement as a result of a Loss or a claim or demand made by any Person against the Indemnified Party (a “Third Party Claim”), such Indemnified Party shall deliver notice thereof to the party against whom indemnity is sought (the “Indemnifying Party”) promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount or method of computation of the amount of such claim (if known) and copies of any relevant documentation evidencing such claim. The failure to provide such notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VII except and solely to the extent that the Indemnifying Party is prejudiced by such failure.

(b) The Indemnifying Party shall have the right, upon written notice to the Indemnified Party within thirty (30) calendar days of receipt of notice from the Indemnified Party of the commencement of such Third Party Claim, to assume the defense thereof at the expense of the Indemnifying Party with counsel selected by the Indemnifying Party and reasonably satisfactory to the Indemnified Party. If the Indemnifying Party assumes the defense of such Third Party Claim, the Indemnified Party shall have the right to employ separate counsel and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party. Regardless of whether the Indemnifying Party assumes the defense of any Third Party Claim, each party shall cooperate with the other party in such defense and make available all witnesses, pertinent records, materials and information in its possession or under the its control relating thereto as is reasonably required or requested by the other party. Notwithstanding the foregoing, the Indemnified Party shall not be required to relinquish control of such defense to the Indemnifying Party and the Indemnified Party may subsequently reassert control over such defense in the event that the Indemnifying Party does not reasonably conduct the defense of the action, suit, proceeding or claim in good faith and in a commercially reasonable manner. The party controlling such defense shall keep the other party hereto advised of the status of such Third Party Claim and the defense thereof and shall consider recommendations made by the other party hereto with respect thereto. Whether or not the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, or offer to settle, compromise or discharge, such Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, delayed or conditioned. The Indemnifying Party shall not agree to any settlement of such Third Party Claim that imposes any liability or obligation on the Indemnified Party or that does not include a full, complete and unconditional release of the Indemnified Party from all liability with respect thereto, in each case without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) In the event any Indemnified Party should have a claim against any Indemnifying Party hereunder that does not involve a Third Party Claim being asserted against or sought to be collected from such Indemnified Party, the Indemnified Party shall deliver notice of such claim promptly to the Indemnifying Party upon becoming aware of such claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount

or method of computation of the amount of such claim (if known) and copies of any relevant documentation evidencing such claim. The failure to provide such notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VII except to the extent and solely that the Indemnifying Party is prejudiced by such failure. The Indemnifying Party will have thirty (30) calendar days from receipt of such notice to dispute the claim. If the Indemnifying Party does not give notice to the Indemnified Party that it disputes such claim within thirty (30) calendar days after its receipt of such notice, the claim specified in the notice will be conclusively deemed a Loss subject to indemnification hereunder. The Indemnified Party shall reasonably cooperate and assist the Indemnifying Party in determining the validity of any claim for indemnity by the Indemnified Party and in otherwise resolving such matters. Such assistance and cooperation shall include providing reasonable access to and copies of information, records and documents relating to such matters, furnishing employees to assist in the investigation, defense and resolution of such matters and providing legal and business assistance with respect to such matters.

Section 7.5 Limits on Indemnification.

(a) No claim may be asserted against either party for breach of any representation, warranty or covenant contained herein, unless written notice of such claim is received by such party pursuant to the terms hereof on or prior to the date on which the representation, warranty or covenant upon which such claim is based ceases to survive as set forth in Section 7.1, in which case such representation, warranty or covenant shall survive as to such claim until such claim has been finally resolved.

(b) Notwithstanding anything to the contrary contained in this Agreement:

(i) the maximum aggregate amount of indemnifiable Losses that may be recovered from the Seller by Buyer Indemnified Parties, or from the Buyer by Seller Indemnified Parties, pursuant to Section 7.2 or Section 7.3, respectively, shall be in each case an amount equal to fifteen percent (15%) of the Purchase Price, provided, that the provisions of this Section 7.5(b)(i) shall not limit the maximum aggregate amount of indemnifiable Losses recoverable with respect to any breach of or failure to perform, carry out, satisfy or discharge any covenant or agreement by the Seller, the Company and/or the Buyer, as applicable, contained in Sections 6.1, 6.5, 6.6, 6.9, 6.10, 6.11, 6.12, 6.13, 6.15, 6.17, 6.19, 6.20 and 6.22;

(ii) the Seller shall not be liable to any Buyer Indemnified Party, and the Buyer shall not be liable to any Seller Indemnified Party, for any claim for indemnification pursuant to Section 7.2 or Section 7.3, respectively, unless and until the aggregate amount of indemnifiable Losses that may be recovered from the Seller or the Buyer, respectively, in each case equals or exceeds \$1,500,000, and the Seller, on the one hand, and the Buyer, on the other hand, shall be liable only for the Losses in excess of such amount, provided, that the provisions of this Section 7.5(b)(ii) shall not limit the maximum aggregate amount of indemnifiable Losses recoverable with respect to any breach of or failure to perform, carry out, satisfy or discharge any covenant or agreement by the Seller, the Company and/or the Buyer, as applicable, contained in Sections 6.1, 6.5, 6.6, 6.9, 6.10, 6.11, 6.12, 6.13, 6.15, 6.17, 6.19, 6.20 and 6.22;

(iii) the Seller shall not be obligated to indemnify any Buyer Indemnified Party with respect to any Loss pursuant to Section 7.2 to the extent that a specific accrual or reserve for the amount of such Loss was reflected as a Current Liability on the Closing Statement;

(iv) the right to indemnification or any other remedy in favor of the Buyer Indemnified Parties based on representations, warranties, covenants and agreements in this Agreement or any Ancillary Agreement shall not be affected by any investigation conducted at any time, or any knowledge acquired (or capable of being acquired) prior to the execution and delivery of this Agreement; and

(v) except with respect to Third Party Claims, no party hereto shall have any liability under any provision of this Agreement for any punitive, incidental, consequential, special or indirect damages, including business interruption, loss of future revenue, profits or income, or loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement.

(c) For all purposes of this Article VII, "Losses" shall be net of (i) any insurance or other recoveries actually paid to the Indemnified Party or its Affiliates in connection with the facts giving rise to the right of indemnification and (ii) any Tax benefit arising in connection with the accrual, incurrence or payment of any such Losses, but only to the extent such Tax benefit is actually realized by such Indemnified Party or its Affiliates in the taxable period of such accrual, incurrence or payment of such Loss, as applicable, determined by assuming that such Tax benefit is usable in such period only on a last-used basis, considering all other available Tax benefits.

(d) The Buyer shall use commercially reasonable efforts to seek recovery under all insurance policies covering any Loss to the same extent as it or they would if such Loss were not subject to indemnification hereunder. If requested by the Seller, the Buyer shall assign, or cause to be assigned, to the Seller all of the Buyer's or its Affiliate's rights to and interest in such insurance policies and all potential proceeds therefrom, and the Seller shall have the right to take any action to seek full recovery thereunder to the extent such recovery efforts do not cause a material adverse effect on the Company's ability to obtain additional or other insurance coverage.

(e) The limitations contained in Sections 7.5(b)(i), (ii) and (iii) shall not apply to indemnifiable Losses in respect of to breaches of any Fundamental Representation, fraud or intentional misrepresentations of fact.

Section 7.6 Tax Matters. Anything in this Article VII to the contrary notwithstanding, the rights and obligations of the parties with respect to indemnification for any and all Tax matters shall be governed by Article VIII.

Section 7.7 Assignment of Claims. If any Buyer Indemnified Party receives or is entitled to receive any payment from the Seller in respect of any Losses pursuant to Section 7.2 and the Buyer Indemnified Party could, actually or potentially, have recovered all or a part of such Losses from a third party (a "Potential Contributor") based on the underlying claim asserted

against the Seller, the Buyer Indemnified Party shall assign, on a non-recourse basis and without any representation or warranty, such of its rights to proceed against the Potential Contributor as are necessary or appropriate to permit the Seller to recover from the Potential Contributor the amount of such payment. If any such assignment would afford the Potential Contributor any defense to the payment of the same, such assignment shall not take place and the Buyer Indemnified Party will, at the Seller's direction and expense, take all reasonable actions to seek to recover such claim from such Potential Contributor. Any payment received in respect of such claim against the Potential Contributor (whether by the Seller or the relevant Buyer Indemnified Party as provided in the immediately preceding sentence) shall be distributed, (i) first, to the Buyer Indemnified Party in the amount of any deductible or similar amount required to be paid by the Buyer Indemnified Party prior to the Seller being required to make any payment to the Buyer Indemnified Party plus, in the case of any claim by a Buyer Indemnified Party as provided in the immediately preceding sentence, any unreimbursed out-of-pocket costs and expenses incurred in investigating, prosecuting, defending or otherwise addressing such claim, (ii) second, to the Seller in an amount equal to the aggregate payments made by the Seller to the Buyer Indemnified Party in respect of such claim, plus any unreimbursed out-of-pocket costs and expenses incurred in investigating, prosecuting, defending or otherwise addressing such claim and (iii) the balance, if any, to the Buyer Indemnified Party.

Section 7.8 Exclusive Remedy. Except as set forth in this Agreement, effective as of the Closing, in the absence of fraud and intentional misrepresentation of fact by the Seller in this Agreement (to the extent determined by a final judgment of a court of competent jurisdiction), the Buyer, on behalf of itself and the other Buyer Indemnified Parties, waives any rights and claims any Buyer Indemnified Party may have against the Seller, whether in law or equity, relating to the Company and/or the transactions contemplated hereby. The rights and claims waived by the Buyer, on behalf of itself and the other Buyer Indemnified Parties, include, without limitation, claims for contribution or other rights of recovery arising out of or relating to any Environmental Laws, claims for breach of contract, breach of representation or warranty, negligent misrepresentation and all other claims for breach of duty, except as specifically contemplated by the terms of this Agreement. The Seller shall not have any right of contribution against the Company with respect to any breach by the Seller or the Company of any of its representations, warranties, covenants or agreements contained herein. Except as set forth in this Agreement, effective as of the Closing, in the absence of fraud and intentional misrepresentation of fact by the Buyer in this Agreement (to the extent determined by a final judgment of a court of competent jurisdiction), the Seller, on behalf of itself and the other Seller Indemnified Parties, waives any rights and claims any Seller Indemnified Party may have against the Company or the Buyer, whether in law or equity, relating to the Buyer and/or the transactions contemplated hereby. Except for claims for equitable relief, including specific performance and injunctive relief, made with respect to breaches of any covenant or agreement contained in this Agreement, including Section 6.12, after the Closing, subject to the foregoing, this Article VII and Article VIII will provide the exclusive remedy of the Indemnified Parties for any breach of any representation, warranty, covenant or other claim arising out of or relating to this Agreement and/or the transactions contemplated hereby.

ARTICLE VIII
TAX MATTERS

Section 8.1 Indemnification Obligations With Respect to Taxes.

(a) The Seller shall be responsible for, and shall indemnify, defend and hold harmless the Buyer, the Company and their Affiliates from and against:

(i) all Taxes imposed on or relating to the Company due with respect to periods ending on or prior to the Closing Date, including all Taxes of the Company that are due with respect to periods (the “Straddle Periods”) that include but do not end on the Closing Date to the extent attributable to the portion of the Straddle Period ending on the Closing Date;

(ii) all Losses resulting from any inaccuracy in or breach of the representations and warranties with respect to Taxes that are contained in Article IV or in this Article VIII and any covenants contained in this Agreement with respect to Taxes;

(iii) all Taxes of any Person imposed on the Company under Treas. Reg. § 1.1502-6 by reason of any affiliation existing on or before the Closing Date;

(iv) all Taxes, except for the Taxes described in Sections 8.3(a)(i) and (ii), resulting from an election under Section 338(h)(10) of the Code (and any corresponding elections under state, local or foreign tax law) with respect to the purchase and sale of the Shares hereunder, and

(v) all losses imposed on or sustained by the Buyer or its Affiliates (including the Company after the Closing Date), directly or indirectly, by reason of or in connection with the foregoing amounts.

Notwithstanding the foregoing, the Seller shall only be liable for losses resulting from Michigan Use Taxes (and any penalties, interest or additions to tax) resulting from the purchase by the Company of infusion pumps from and after February 1, 1998, through the Closing Date to the extent such losses are in excess of the amounts, if any, reserved for such amounts (excluding any reserves for deferred Taxes established to reflect timing differences between book and Tax income) on the Balance Sheet as such reserve is adjusted for the passage of time through the Closing Date in accordance with past custom and practice of the Company (the “Michigan Use Tax Reserve”). The Buyer hereby acknowledges that the Seller shall be entitled to offset and credit against any liability for indemnification the Seller may have to the Buyer, the Company, and/or their Affiliates pursuant to this Section 8.1 an amount equal to the difference (to the extent such difference is a number greater than zero) between (i) the amount of the Michigan Use Tax Reserve in excess of the amount of actual losses resulting from Michigan Use Taxes (and any penalties, interest or additions to tax), as finally adjudicated by the relevant Governmental Authority minus (ii) the aggregate amount of all reasonable and documented costs, fees and expenses actually incurred by the Buyer and the Company after the Closing Date in connection with the prosecution of the Company’s claims relating to Michigan Use Taxes.

(b) The Buyer shall be responsible for, and shall indemnify, defend and hold harmless the Seller from and against:

- (i) all Taxes of the Company that are due with respect to periods commencing after the Closing Date;
- (ii) all Taxes of the Company that are due with respect to Straddle Periods to the extent attributable to the portion of the Straddle Period commencing on the day following the Closing Date;
- (iii) all losses resulting from any breach of any covenants of the Buyer contained in this Agreement or contained in any certificate delivered by the Buyer pursuant hereto, in each case, with respect to Taxes; and
- (iv) all losses imposed on or sustained by the Seller or its Affiliates, directly or indirectly, by reason or in connection with the foregoing amounts.

(c) For purposes of this Article VIII, whenever it is necessary to determine the liability for Taxes of the Company for a Straddle Period, the determination of the Taxes for the portion of the Straddle Period ending on and including, and the portion of the Straddle Period beginning after, the Closing Date shall be determined by assuming that the Straddle Period consisted of two taxable years or periods, one of which ended at the close of the Closing Date and the other of which began at the beginning of the day following the Closing Date, and items of income, gain, deduction, loss or credit, and state and local apportionment factors of the Company for the Straddle Period shall be allocated between such two taxable years or periods on a “closing of the books basis” by assuming that the books of the Company were closed at the close of business on the Closing Date; provided, however, (i) exemptions, allowances or deductions that are calculated on an annual basis, such as the deduction for depreciation, and (ii) periodic taxes, such as real and personal property taxes, shall be apportioned ratably between such periods on a daily basis; provided further however, that any such taxes attributable to any property that was owned by the Company at some point in the Pre-Closing Period, but is not owned as of the Closing date shall be allocated entirely to the period ending at the close of the Closing Date. If the Company is permitted but not required under applicable state, local, or foreign income tax Laws to treat the Closing Date as the last day of a taxable period, then the parties shall treat that day as the last day of a taxable period. Where the Closing Date is treated as the last day of a taxable period for purposes of federal, state, local or foreign income tax Laws, the income of the Company shall be apportioned to the period up to and including the Closing Date and the period after the Closing date by closing the books of the Company as of the end of the Closing Date, provided further, however, the Buyer and the Seller agree to report all transactions not in the ordinary course of business occurring on the Closing Date after the Buyer’s purchase of the Shares on the Buyer’s Federal income tax return to the extent permitted by Treasury Regulation Section 1.1502-76(b)(1)(ii)(B).

(d) Notwithstanding anything to the contrary in this Agreement, the obligations of the Seller and the Buyer under this Article VIII shall survive the Closing indefinitely, shall be unconditional and absolute, and shall not be subject to a deductible, threshold, or similar concept,

except that the Seller's representations set forth in Section 4.15 shall remain in effect until sixty (60) calendar days after the expiration of the applicable statute of limitations, as extended.

Section 8.2 Tax Returns.

(a) The Seller will include or have included in the consolidated federal income tax Return of the affiliated group of corporations, within the meaning of Section 1504(a) of the Code, of which the Seller is the common parent corporation, for all periods or portions thereof through the Closing Date, the income of the Company (including any deferred income from intercompany transactions triggered into income by Section 1.1502-13 of the Treasury regulations and any excess loss accounts taken into income under Section 1.1502-19 of the Treasury regulations) for all such periods and will pay or cause to be paid any federal income Taxes attributable to such income. The Buyer shall prepare or cause to be prepared and file or cause to be filed all Returns for the Company that are filed after the Closing Date, other than income tax Returns with respect to periods for which a consolidated, unitary or combined income tax Return of Seller will include the operations of the Company.

(b) All Returns that are to be prepared and filed by the Buyer pursuant to Section 8.2(a) above and that relate to Taxes for which the Seller is liable under this Article VIII (including Straddle Period Returns) shall be prepared by the Buyer in a manner consistent with reasonable past customs and procedures of the Company and shall be submitted to the Seller not later than fifteen (15) calendar days prior to the due date for filing of such Returns, taking into account applicable extensions (or if such due date is within forty-five (45) calendar days following the Closing Date, as promptly as practicable following the Closing Date). The Seller shall have the right to review such Returns and to review all work papers and procedures used to prepare any such Return. If the Seller, within ten (10) calendar days after delivery of any such Return, notifies the Buyer in writing that it objects to any of the items in such Return, the parties shall attempt in good faith to resolve the dispute and, if they are unable to do so, the disputed items shall be resolved (within a reasonable time, taking into account the deadline for filing such Return) by an internationally recognized independent accounting firm chosen by both the Buyer and the Seller (or, if the Buyer and the Seller cannot agree on such an accounting firm, then each shall select an independent accounting firm and such accounting firms shall select a third independent accounting firm). Upon resolution of all such items, the relevant Return shall be filed on that basis, provided that the Buyer shall have the right to file the relevant Return prior to resolution of such items if the Buyer reasonably determines that such filing is necessary to avoid applicable penalties and interest. The costs, fees and expenses of such accounting firm shall be borne equally by the Buyer and the Seller. The Seller shall to the Buyer the amount of the Taxes with respect to such Returns within five days following any demand by the Buyer for such payment.

(c) The Buyer shall not (and shall not cause or permit the Company to) amend, refile or otherwise modify any Return relating in whole or in part to the Company with respect to any taxable year or period ending on or before the Closing Date or with respect to any Straddle Period without the prior written consent of the Seller, which consent may not be unreasonably withheld, conditioned or delayed. The Seller shall not amend, refile, or otherwise modify any such Return if such action could have an adverse affect on the liability of the Company, without

the prior written consent of the Buyer, which consent may not be unreasonably withheld, conditioned or delayed.

(d) All sales, use, transfer and other similar Taxes, including any stock transfer stamp Taxes resulting from the sale of the Shares, shall be borne by the Seller, except to the extent set forth in Sections 8.1(b) and 8.3(a)(i).

Section 8.3 Section 338(h)(10) Election. (a) At the Buyer's option, the Seller and the Buyer shall join in making an election under Code Section 338(h)(10) (and any corresponding elections under state, local, or foreign tax law) (collectively a "Section 338(h)(10) Election") with respect to the purchase and sale of the Shares. The Seller shall be liable for and pay any Tax attributable to the making of the Section 338(h)(10) Election and will indemnify the Buyer and the Company against any adverse consequences arising out of any failure to pay such Tax. Notwithstanding the preceding sentence, (i) the Buyer shall be liable for and pay any state or local transfer, sales and use, notarial or similar fees or Taxes arising as a result of the sale of the Shares and a Section 338(h)(10) Election and the transaction contemplated by this Agreement, (ii) the Buyer shall be liable for and pay any income, franchise or similar Taxes imposed by any state or local taxing authority as a result of any Code Section 338(g) election (or any comparable election under state law) if such state or local taxing authority does not allow or respect a Section 338(h)(10) Election (or any comparable or resulting election under state law) with respect to the purchase and sale of the Shares, and (iii) the Buyer and the Company shall indemnify the Seller against any adverse consequences arising out of any failure to pay the Taxes described in (i) and (ii).

(b) The parties agree that the Purchase Price and the liabilities of the Company (plus other relevant items) shall be allocated to the assets of the Company for all purposes (including Tax and financial accounting purposes) as shown on the allocation schedule attached hereto as Schedule 8.3. The Buyer, the Company and the Seller shall file all Returns (including amended Returns and claims for refund) and information reports in a manner consistent with such allocation.

(c) At the Closing, if requested by the Buyer, the Seller will deliver to the Buyer a fully executed IRS Form 8023 reflecting the Section 338(h)(10) Election, and any similar form provided for under state, local or foreign Law. As requested from time to time by the Buyer (whether before, at or after the Closing), the Seller shall assist the Buyer in, and shall provide the necessary information to the Buyer, in connection with the preparation of any form or document required to effect a valid and timely Section 338(h)(10) Election, including IRS Form 8883 (Asset Allocation Statement Under Section 338), and any similar form under state, local or other Law and any schedules or attachments thereto, each prepared consistently with Schedule 8.3 hereto (collectively, "Section 338 Forms"). Upon delivery of any Section 338 Form by the Buyer to the Seller, the Seller shall cause such Section 338 Form to be duly and promptly executed and shall deliver such executed Section 338 Form to the Buyer. If the Buyer determines that any change is to be made in a Section 338 Form previously executed and delivered to the Buyer, then the Buyer may prepare a new Section 338 Form and deliver such new Section 338 Form to the Seller and the Seller shall cause such Section 338 Form to be fully and promptly executed and shall deliver such executed Section 338 Form to the Buyer.

Section 8.4 Contest Provisions.

(a) In the event (i) the Seller or its Affiliates or (ii) the Buyer or its Affiliates receive notice of any pending or threatened Tax audits or assessments or other disputes concerning Taxes with respect to which the other party may incur liability under this Article VIII, the party in receipt of such notice shall promptly notify the other parties of such matter in writing, provided that failure to comply with this provision shall not affect a party's right to indemnification hereunder unless and to the extent such failure materially adversely affects the party's ability to challenge such Tax audits or assessments.

(b) The Seller shall represent the interests of the Company in any Tax audit or administrative or court proceeding to the extent such audit or proceeding relates to any Tax for any taxable period ending on or before the Closing Date, and to employ counsel of the Seller's choice at the Seller's expense, if the Seller notifies the Buyer of its decision to take such actions within thirty (30) calendar days of the date on which the Seller receives notice of any such audit or proceeding from the Buyer (with respect to audits or proceedings as to which the Buyer first received notice from a Governmental Authority or other Person) or the date on which the Seller delivered to the Buyer notice of any such audit or proceeding (with respect to audits or proceedings as to which the Seller first received notice from a Governmental Authority or other Person), provided however, that the Buyer may, at its own expense, attend, but not participate in or control, all conferences, meetings and proceedings relating to such audits or proceedings. The Seller shall inform the Buyer of all developments and events relating to such audits or proceedings. Notwithstanding the foregoing, if the Seller elects to so represent the interests of the Company, the Seller shall not be entitled to settle, either administratively or after the commencement of litigation, any claim for Taxes with respect to any Return of the Company which would adversely affect the liability for Taxes of the Buyer or the Company for any period after the Closing Date to any extent (including, but not limited to, the imposition of income Tax deficiencies, the reduction of asset basis or cost adjustments, the lengthening of any amortization or depreciation periods, the denial of amortization or depreciation deductions, or the reduction of the loss or credit carry forwards) without the prior written consent of the Buyer, which consent shall not be unreasonably withheld, conditioned or delayed.

(c) The Buyer shall have the sole right to represent the interests of the Company in any Tax audit or administrative or court proceeding relating to Taxes with respect to taxable periods including (but not ending on) or beginning after the Closing Date and to employ counsel of the Buyer's choice at the Buyer's expense, provided that the Buyer shall not be entitled to settle, either administratively or after the commencement of litigation, any claim regarding Taxes that would adversely affect the liability of the Seller for any Taxes for any period ending on or before the Closing Date or for any Straddle Period, without the prior consent of the Seller, which consent shall not be unreasonably withheld, conditioned or delayed and shall not be required to the extent that the Buyer has fully indemnified the Seller against the effects of such settlement. Where consent to a settlement is withheld by the Seller pursuant to this section, the Seller may continue or initiate any further proceedings at its own expense, the Buyer shall not be obligated to incur any further expenses in such matter and the liability of the Buyer, after giving effect to this Agreement, shall not exceed the liability that would have resulted from the settlement or amended return.

Section 8.5 Assistance and Cooperation. After the Closing Date, the Seller and the Buyer shall (and shall cause their respective Affiliates to): (a) assist the other party in preparing and filing any Returns or reports which such other party is responsible for preparing and filing in accordance with this Article VIII; (b) cooperate fully in preparing for any audits of, or disputes with taxing authorities regarding, any Returns of the Company; (c) make available to the other and to any taxing authority as reasonably requested all information, records, and documents relating to Taxes of the Company; (d) provide timely notice to the other in writing of any pending or threatened Tax audits or assessments of the Company for taxable periods for which the other may have a liability under this Article VIII; and (e) furnish the other with copies of all correspondence received from any taxing authority in connection with any Tax audit or information request with respect to any such taxable period.

Section 8.6 Retention of Records. After the Closing Date, the Seller, the Buyer and the Company will preserve all information, records or documents relating to liabilities for Taxes of the Company until ninety (90) calendar days after the expiration of any applicable statute of limitations (including extensions thereof) with respect to the assessment of such Taxes, provided that neither party shall dispose of any of the foregoing items without first offering such items to the other party.

Section 8.7 Refunds and Tax Benefit. Any Tax refunds that are received by the Buyer or the Company, or that do not result in a cash payment but instead are credited against Tax to which the Buyer or the Company becomes entitled, that relate to the Tax periods or portions thereof ending on or before the Closing Date (including, without limitation, the pre-Closing Straddle Period) shall be for the account of the Seller, and the Buyer shall pay to the Seller any such refund or the amount of any such credit within fifteen (15) calendar days after receipt or entitlement thereto.

Section 8.8 Termination of Tax Sharing Agreements. Any and all Tax allocation or sharing agreements or other agreements or arrangements binding the Company shall be terminated with respect to the Company as of the day before the Closing Date and, from and after the Closing Date, the Company shall not be obligated to make any payment to any Affiliate, Governmental Authority or other Person pursuant to any such agreement or arrangement for any past or future period.

ARTICLE IX CONDITIONS TO CLOSING

Section 9.1 General Conditions. The respective obligations of the Buyer, the Acquisition Sub, the Seller and the Company to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may, to the extent permitted by applicable Law, be waived in writing by any party in its sole discretion (provided that such waiver shall only be effective as to the obligations of such party):

(a) No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law, order or decree (whether temporary, preliminary or permanent) that is then

in effect and that enjoins, restrains, makes illegal or otherwise prohibits the consummation of the transactions contemplated by this Agreement.

(b) Any waiting period (and any extension thereof) under the HSR Act applicable to the transactions contemplated by this Agreement shall have expired or shall have been terminated. All other material consents of, or registrations, declarations or filings with, any Governmental Authority legally required for the consummation of the transactions contemplated by this Agreement shall have been obtained or filed, including the receipt by the Buyer or the Company of a new Medicare supplier number, provided, that any failure by the Buyer or the Company to obtain a new Medicare supplier number shall not have been due to failure by the relevant personnel of the Buyer to obtain the necessary clearance from applicable Governmental Authorities.

Section 9.2 Conditions to Obligations of the Seller and the Company. The obligations of the Seller and the Company to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may be waived in writing by the Seller in its sole discretion:

(a) The representations and warranties of the Buyer and the Acquisition Sub contained in this Agreement or any certificate delivered pursuant hereto that are qualified by materiality (including, without limitation, the words “material,” “Material Adverse Effect” or other terms or concepts of similar import) shall be true and correct and the representations and warranties that are not so qualified shall be true and correct in all material respects, both when made and as of the Closing Date, or in the case of representations and warranties that are made as of a specified date, as of such specified date. The Buyer and the Acquisition Sub shall have performed in all material respects all obligations and agreements and complied with all covenants and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing. The Seller shall have received from each of the Buyer (with respect only to itself) and the Acquisition Sub (with respect only to itself) a certificate to the effect set forth in the preceding sentences, signed by a duly authorized officer thereof.

(b) The Buyer or the Acquisition Sub shall have delivered the (i) the Purchase Price in cash in full or (ii) the Cash Purchase Price in cash and the Promissory Note to the Seller.

(c) The Buyer shall have executed and delivered to the Seller a guaranty of amounts due under the Promissory Note, which guaranty shall be in a form to be agreed by the Seller and the Buyer.

(d) The Merger shall have been consummated pursuant to the terms of the Agreement of Merger, the Certificate of Merger, the General Corporation Law and the DGCL.

(e) The Seller shall have received an executed counterpart of each of the Ancillary Agreements, signed by each party other than the Seller.

(f) The Seller shall have received such other documents as the Seller reasonably requests evidencing the satisfaction of any condition referred to in this Section 9.2.

Section 9.3 Conditions to Obligations of the Buyer and the Acquisition Sub. The obligations of the Buyer and the Acquisition Sub to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may be waived in writing by the Buyer in its sole discretion:

(a) The representations and warranties of the Seller and the Company contained in this Agreement or any certificate delivered pursuant hereto that are qualified by materiality (including, without limitation, the words “material,” “Material Adverse Effect” or other terms or concepts of similar import) shall be true and correct, and the representations and warranties that are not so qualified shall be true and correct in all material respects, both when made and as of the Closing Date, or in the case of representations and warranties that are made as of a specified date, as of such specified date. The Seller and the Company shall have performed in all material respects all obligations and agreements and complied with all covenants and conditions required by this Agreement to be performed or complied with by them prior to or at the Closing. The Buyer shall have received from each of the Seller (with respect only to itself) and the Company (with respect only to itself) a certificate to the effect set forth in the preceding sentences, signed by a duly authorized officer thereof. This Section 9.3 shall be interpreted in a manner consistent with the laws of the State of Delaware, including, without limitation, the principles enunciated in Frontier Oil Corp. v. Holly Corp., Civ. A. No. 20502, 2005 WL 1039027 (Del. Ch. Apr. 29, 2005), to the extent applicable.

(b) The Buyer and the Acquisition Sub shall have received such other documents as the Buyer or the Acquisition Sub reasonably requests evidencing the satisfaction of any condition referred to in this Section 9.3.

(c) The Stockholder Approval shall have been obtained.

(d) The Seller shall have obtained the consent of each Person whose consent is required under the Material Contracts and Leases set forth in Schedule 9.3(d), and shall have provided evidence of each such consent in form and substance reasonably satisfactory to the Buyer.

(e) The Seller shall have delivered to the Buyer evidence of (i) the release of all Encumbrances (other than Permitted Encumbrances and Encumbrances created or permitted by the Buyer or the Acquisition Sub) with respect to the property and assets of the Company and the Shares, (ii) the repayment or release of all outstanding Indebtedness of the Company other than as set forth on Schedule 9.3(e) and (iii) the repayment or other cancellation of all liabilities owed by or to the Company to or from the Seller or any of its Affiliates, to the extent not retired as Indebtedness prior to or at the Closing in accordance with subparagraph (ii) above, in each case in form and substance reasonably satisfactory to the Buyer.

(f) The Seller shall delivered to the Buyer or the Acquisition Sub a certificate of the Secretary of Seller dated the Closing Date and certifying that attached thereto are true and complete copies of all resolutions adopted by the Board of Directors of the Seller authorizing the execution, delivery and performance of this Agreement, and that all such resolutions are in full force and effect and are all the resolutions adopted in connection with the transactions contemplated by this Agreement.

(g) The Seller shall have delivered to the Buyer a duly completed and executed certification of non-foreign status pursuant to Section 1.1445-2(b)(2) of the Treasury regulations.

(h) The Seller shall have delivered to the Buyer a duly completed and executed Form 8023, if requested by Buyer.

ARTICLE X TERMINATION

Section 10.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing:

(a) by mutual written consent of the Buyer and the Seller;

(b) (i) by the Seller, if the Buyer or the Acquisition Sub breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 9.2, (B) cannot be or has not been cured within fifteen (15) calendar days following delivery of written notice of such breach or failure to perform and (C) has not been waived by the Seller or (ii) by the Buyer, if the Seller or the Company breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement or any Ancillary Agreement and such breach or failure to perform (x) would give rise to the failure of a condition set forth in Section 9.3, (y) cannot be or has not been cured within fifteen (15) calendar days following delivery of written notice of such breach or failure to perform and (z) has not been waived by the Buyer;

(c) (i) by the Seller, if any of the conditions set forth in Section 9.1 or Section 9.2 shall have become incapable of fulfillment or (ii) by the Buyer, if any of the conditions set forth in Section 9.1 or Section 9.3 shall have become incapable of fulfillment; provided, that the right to terminate this Agreement pursuant to this Section 10.1(c) shall not be available if the failure or inability of the party (in the case of the Seller, including for this purpose the Company) so requesting termination to fulfill any obligation under this Agreement shall have been the cause of such condition becoming incapable of fulfillment;

(d) by either the Seller or the Buyer if the Closing shall not have occurred by April 30, 2007 (as such date may be extended by Section 6.3, the "Termination Date"); provided, that the right to terminate this Agreement under this Section 10.1(d) shall not be available if the failure of the party (in the case of the Seller, including for this purpose the Company) so requesting termination to fulfill any obligation under this Agreement shall have been the cause of the failure of the Closing to occur on or prior to the Termination Date; or

(e) by either the Seller or the Buyer in the event that any Governmental Authority shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; provided, that the party so requesting termination shall have complied with Section 6.7.

The party seeking to terminate this Agreement pursuant to this Section 10.1 (other than Section 10.1(a)) shall give prompt written notice of such termination to the other parties.

Section 10.2 Effect of Termination. Subject to Section 10.3 and the provisions of Articles VII and VIII, in the event of termination of this Agreement as provided in Section 10.1, this Agreement shall forthwith become void and there shall be no liability on the part of any party except (a) for the provisions of Section 6.5 relating to confidentiality, Section 6.7 relating to public announcements, Section 11.1 relating to fees and expenses, Section 11.4 relating to notices, Section 11.7 relating to third-party beneficiaries, Section 11.8 relating to governing law, Section 11.9 relating to submission to jurisdiction and this Section 10.2 and (b) that nothing herein shall relieve any party from liability for any breach of this Agreement or any agreement made as of the date hereof or subsequent thereto pursuant to this Agreement.

Section 10.3 Buyer Termination Fee. In the event that this Agreement is terminated (i) because of the Buyer's failure to obtain the Stockholder Approval by the Termination Date for any reason whatsoever or (ii) by the Seller because the Buyer or the Acquisition Sub is unable or unwilling to consummate the transactions contemplated by this Agreement after all the conditions precedent set forth in Section 9.1 and 9.3 shall have been satisfied or are capable of fulfillment, including, without limitation, due to the Buyer's failure to obtain sufficient funds to consummate such transactions other than as a result of the Seller's failure to provide the Financing, the Buyer shall, within five (5) Business Days after the effective date of termination, pay to the Seller a fee in an amount equal to three million dollars (US \$3,000,000.00) (the "Termination Fee") provided, however, that in the event the Seller elects to terminate this Agreement pursuant to Section 10.1(d) and the Termination Fee is payable in accordance with subparagraph (i) above for the sole reason that the Buyer Stockholders' Meeting did not occur prior to the Termination Date, the Termination Fee shall be equal to one million dollars (US \$1,000,000.00). Such fee shall be paid in immediately available funds and, if not paid at within the five-day period set forth above, shall bear interest at the rate per annum equal the "prime rate", as published in The Wall Street Journal, Eastern Edition, in effect from time to time or (if less) the maximum rate permitted by applicable Law, during the period from such effective date of termination to the date of payment. Such interest shall be calculated daily on the basis of a year of three hundred and sixty five (365) days and the actual number of days elapsed, without compounding. Each of the Buyer and the Acquisition Sub hereby acknowledges that in the event that this Agreement is terminated under any of the circumstances set forth in subparagraphs (i) through (ii) of this Section 10.3, the Seller and the Company would suffer direct and substantial damages, which damages cannot be determined with reasonable certainty. The Termination Fee, plus any interest accrued and payable thereon, is to be paid by the Buyer to compensate the Seller and the Company for such damages as liquidated damages, and it is specifically agreed that any and all amounts paid pursuant to this Section 10.3 represents liquidated damages and not a penalty.

ARTICLE XI GENERAL PROVISIONS

Section 11.1 Fees and Expenses. Except as otherwise provided herein, all fees and expenses incurred in connection with or related to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby shall be paid by the party incurring such

fees or expenses, whether or not such transactions are consummated. In the event of termination of this Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such party arising from a breach of this Agreement by the other.

The table of contents and headings contained in this Agreement or in any Exhibit or Schedule are for convenience of reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require. Any capitalized terms used in any Exhibit or Schedule but not otherwise defined therein shall have the meaning as defined in this Agreement. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth herein. The word “including” and words of similar import when used in this Agreement will mean “including, without limitation”, unless otherwise specified.

Section 11.6 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto), the Ancillary Agreements and the Confidentiality Agreement constitute the entire agreement, and supersedes all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings, among the parties with respect to the subject matter of this Agreement. Neither this Agreement nor any Ancillary Agreement shall be deemed to contain or imply any restriction, covenant, representation, warranty, agreement or undertaking of any party with respect to the transactions contemplated hereby or thereby other than those expressly set forth herein or therein or in any document required to be delivered hereunder or thereunder, and none shall be deemed to exist or be inferred with respect to the subject matter hereof. Notwithstanding any oral agreement of the parties or their Representatives to the contrary, no party to this Agreement shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Agreement shall have been executed and delivered by each of the parties.

Section 11.7 No Third-Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement, except as provided in Section 6.10 and Article VII.

Section 11.8 Governing Law. Except as otherwise specifically provided in this Agreement, this Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of New York, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of New York.

Section 11.9 [This Section has been intentionally left blank.]

Section 11.10 Disclosure Generally. The fact that any item of information is disclosed in any Disclosure Schedule shall not be construed to mean that such information is required to be disclosed by this Agreement. Such information and the dollar thresholds set forth herein shall not be used as a basis for interpreting the terms “material” or “Material Adverse Effect” or other similar terms in this Agreement.

Section 11.11 Personal Liability. This Agreement shall not create or be deemed to create or permit any personal liability or obligation on the part of any direct or indirect stockholder of the Seller or the Buyer or any officer, director, employee, Representative or investor of any party hereto.

Section 11.12 Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party without the prior written consent of the other parties, and any such assignment without such prior written consent shall be null and void; provided, however, that the Buyer or the Acquisition Sub may assign this Agreement to any Subsidiary of the Buyer without the prior consent of the Seller or the Company and; provided further, that the Seller may assign any of its rights under this Agreement, including the right to receive the Purchase Price, the Cash Purchase Price and/or the Promissory Note, to one or more Affiliates of the Seller without the consent of the Buyer or the Company and; provided still further, that no assignment shall limit the assignor’s obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 11.13 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any California State or federal court sitting in Orange County, California (or, if such court lacks subject matter jurisdiction, in any appropriate California State or federal court), this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties further hereby waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

Section 11.14 Currency. All references to “dollars” or “\$” or “US\$” in this Agreement or any Ancillary Agreement refer to United States dollars, which is the currency used for all purposes in this Agreement and any Ancillary Agreement.

Section 11.15 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or

portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 11.16 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 11.17 Facsimile Signature. This Agreement may be executed by electronic or facsimile signature and an electronic or facsimile signature shall constitute an original for all purposes.

Section 11.18 Time of Essence. Time is of the essence with regard to all dates and time periods set forth or referred to in this Agreement.

Section 11.19 Disclaimer of Implied Warranties.

(a) It is the explicit intent and understanding of each party hereto that no party hereto or any of such party's Affiliates or Representatives is making any representation or warranty whatsoever, oral or written, express or implied, as to the accuracy or completeness of any information regarding the Company, except as expressly set forth in this Agreement, and no party hereto is relying on any statement, representation or warranty, oral or written, express or implied, made by any other party hereto or such other party's Affiliates or Representatives, except for the representations and warranties expressly set forth in this Agreement.

(b) In connection with the Buyer's and the Acquisition Sub's investigation of the Company, the Buyer and the Acquisition Sub have received certain estimates, projections and other forecasts regarding the Company, including, without limitation, the Confidential Information Memorandum, dated April 2006, of the Company. Each of the Buyer and the Acquisition Sub acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts, that each of the Buyer and the Acquisition Sub is familiar with such uncertainties and that each of the Buyer and the Acquisition Sub is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections and forecasts). Accordingly, except for the representations and warranties expressly set forth in this Agreement, neither the Seller nor the Company makes any representation or warranty of any kind or nature with respect to such estimates, projections and other forecasts (including the reasonableness of the assumptions underlying such estimates, projections and forecasts).

Section 11.20 Legal Representation. In any dispute or proceeding arising under or in connection with this Agreement, the Seller shall have the right, at its election, to retain the firm of Gibson, Dunn & Crutcher LLP to represent it in such matter and each of the Buyer, the Acquisition Sub and the Company, for itself and for its successors and assigns, hereby irrevocably waives and consents to any such representation in any such matter. Each of the Buyer and the Company acknowledges that the foregoing provision shall apply whether or not

Gibson, Dunn & Crutcher LLP provides legal services to the Company or the Buyer after the Closing Date. Each of the Buyer, the Acquisition Sub and the Company, for itself and its successors and assigns, hereby irrevocably acknowledges and agrees that all communications between the Seller and its counsel, including without limitation Gibson, Dunn & Crutcher LLP, made in connection with the negotiation, preparation, execution, delivery and closing under, or any dispute or proceeding arising under or in connection with, this Agreement, or any matter relating to any of the foregoing, are privileged communications between the Seller and such counsel and none of the Buyer, the Acquisition Sub or the Company, or any Person purporting to act on behalf of or through the Buyer, the Acquisition Sub or the Company, will seek to obtain the same by any process.

Section 11.21 No Presumption Against Drafting Party. Each of the Buyer, the Acquisition Sub, the Seller and the Company acknowledges that each party to this Agreement has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

ARTICLE XII PROVISIONS RELATING TO THE PROMISSORY NOTE

Section 12.1 Covenants.

(a) Ticking Fee. The Buyer shall pay a fee (the “Ticking Fee”), accruing from the date of this Agreement, which Ticking Fee shall be due and payable in cash on the last business day of each month, in an amount equal to (i) 0.50% per annum of the Maximum Amount, for the period from and including the date of this Agreement through and including the day that is the 90th day following the date of this Agreement, (ii) 0.75% per annum of the Maximum Amount for the period from and including the 91st day following the date of this Agreement through and including the day that is the 150th day following the date of this Agreement, (iii) 1.00% per annum of the Maximum Amount thereafter. The Ticking Fee shall be calculated on the basis of a 360 day year. The Ticking Fee shall cease to accrue and all amounts then outstanding in respect thereof shall be immediately due and payable upon the earlier to occur of (A) the Closing Date, (B) the delivery by the Buyer to the Seller of a notice terminating the Buyer’s right to pay a portion of the Purchase Price by issuing the Promissory Note on the Closing Date (because alternative financing has been arranged which will enable the Buyer to pay the Purchase Price in cash in full at the Closing Date) or (C) the date that this Agreement is terminated in accordance with the provisions of Article X.

(b) Delivery Fee. No later than five (5) calendar days after the date of this Agreement, the Buyer shall pay a fee (the “Delivery Fee”) to the Seller in an amount equal to \$100,000.00. In the event that the Buyer executes and delivers the Promissory Note on the Closing Date, the Delivery Fee shall be credited against the Facility Fee (as defined below).

(c) Facility Fee. On the Closing Date, if the Buyer executes and delivers the Promissory Note, the Buyer shall pay a fee (the “Facility Fee”) in an amount equal to 2.50% of the actual principal amount of the Promissory Note.

(d) Expenses. Upon the earlier to occur of (i) the Closing Date and (ii) the Termination Date, the Buyer shall pay (or reimburse the Seller for) all out of pocket expenses incurred by the Seller, including the fees, charges and disbursements of counsel for the Seller, in connection with the preparation of the Promissory Note and the documents related thereto (whether or not the transactions contemplated hereby or thereby shall be consummated).

(e) Indemnity. The Buyer shall save, defend, indemnify and hold harmless the Seller Indemnified Parties from and against any and all Losses arising out of, in connection with or resulting from any claims, in connection with or relating to the Promissory Note Documents or the financing for the transactions contemplated by this Agreement, brought by (i) any person (or their Affiliates) with whom the Buyer may have engaged in discussions, or entered into agreements, pertaining to proposed financing of the transactions or (ii) any shareholder or Affiliate of the Buyer;

provided, that the indemnity described in this Section 12.1(e) shall not, as to any Seller Indemnified Party, be available to the extent that such Losses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Seller Indemnified Party. The provisions of this Section shall survive the Termination Date and the Closing Date and remain in full force and effect thereafter.

(f) Disclosure. The Buyer will disclose to the Seller all agreements, instruments and corporate or other restrictions to which it or any of its subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Change (as defined in the Term Sheet).

Section 12.2 No Limitations. Notwithstanding anything to the contrary in this Agreement, the obligations set forth in Section 12.1 above shall be unconditional and absolute, and shall not be subject to any deductible, threshold, or similar concept, including, without limitation, any of the limitations set forth in Section 7.5.

Section 12.3 Conditions to Effectiveness. The Seller shall not be obligated to provide the Financing as evidenced by the Promissory Note until the date on which each of the following conditions is satisfied (or waived by the Seller):

(a) the conditions to the obligations of the Seller set forth in Sections 9.1 and 9.2 of this Agreement shall have been satisfied (or waived in accordance with this Agreement).

(b) the negotiation, execution and delivery of definitive Promissory Note Documents to be based upon and substantially consistent with the terms and conditions outlined in the Term Sheet (provided, that the parties hereto acknowledge that the Term Sheet does not include all of the terms, conditions, covenants, representations, warranties, default clauses, and other provisions that would be contained in the definitive Promissory Note Documents), which Promissory Note Documents shall be prepared by counsel to the Seller and shall be in form and substance reasonably satisfactory to the Seller, the Buyer and their respective counsel.

(c) All documents required to be delivered under the Promissory Note Documents, including satisfactory legal opinions (covering such matters relating to the Note

Parties (as defined in the Term Sheet), the Promissory Note Documents and the transactions contemplated thereby, as the Seller shall reasonably request), corporate records and documents from public officials and officer's certificates, shall have been delivered.

(d) The Seller shall have received satisfactory evidence that the Seller shall have a valid and perfected first priority (subject to liens on the Company in existence immediately prior to the Closing and certain exceptions to be set forth in the Promissory Note Documents) lien and security interest in the Collateral (as defined in the Term Sheet).

(e) The Seller shall have received the unaudited financial statements of the Buyer for each quarterly period completed prior to 46 days before the Closing Date, and for each monthly period completed prior to 31 days before the Closing Date, all in form and substance satisfactory to the Seller.

(i) The Seller shall have received a solvency certificate (in form and substance satisfactory to the Seller), executed by the chief financial officer of the Buyer, certifying that, after giving effect to the transactions occurring on the Closing Date (including the issuance of the Promissory Note), the Note Parties, on a consolidated basis, are solvent.

(j) The Seller shall have received evidence satisfactory to the Seller that all existing indebtedness of the Note Parties (other than indebtedness of the Company existing immediately prior to the Closing) shall have been repaid in full and all commitments to lend or make other extensions of credit thereunder have been terminated and all Liens (as defined in the Term Sheet) securing such indebtedness or other obligations thereunder (other than Permitted Liens (as defined in the Term Sheet)) have been released and/or terminated.

(k) No Default (as defined in the Promissory Note Documents) under the Promissory Note shall exist, or would result from the issuance of the Promissory Note, except for Defaults that would have existed if the Promissory Note Documents applied to the Company (without giving effect to the transactions contemplated by this Agreement) immediately prior to Closing.

(l) The representations and warranties of each Note Party set forth in the Promissory Note Documents shall be true and correct on and as of the Closing Date, except to the extent that such representations and warranties relate to the Company (without giving effect to the transactions contemplated by this Agreement) and would not have been true and correct if such representations and warranties were made by the Company immediately prior to Closing.

(m) The Seller shall have received a Guaranty (as defined in the Term Sheet) from each Guarantor (as defined in the Term Sheet) in form and substance acceptable to the Seller.

(n) The Seller shall have completed a due diligence investigation of the Buyer and its subsidiaries in scope, and with results, satisfactory to the Seller, including without limitation, as to general affairs, management, corporate structure, capital structure, other debt instruments, material contracts, governing documents, prospects, financial position, stockholders' equity and results of operations, and the tax, accounting, legal, regulatory, environmental and other issues relevant to the Buyer and its subsidiaries, and shall have been given access to the external independent auditors, management, records, books of account, contracts and properties of the Buyer and its subsidiaries and shall have received such financial, business and other information regarding the Buyer and its subsidiaries as it shall have requested.

WHEREAS, InfuSystem and I-Flow desire to amend and restate the Existing Agreement in its entirety as set forth in this Agreement;

WHEREAS, I-Flow desires that InfuSystem continue to provide, from and after the closing of the transactions contemplated by the Stock Purchase Agreement, I-Flow with the Billing and Collection Services and Management Services in connection with the Products, and InfuSystem desires to so continue, all on the terms and conditions herein specified; and

WHEREAS, concurrently with the execution and delivery of this Agreement and the consummation of the transactions contemplated by the Stock Purchase Agreement, in order to facilitate the continued business relationship between InfuSystem and I-Flow pursuant to this Agreement, I-Flow and InfuSystem are entering into a License Agreement (the "License Agreement"), pursuant to which InfuSystem is granting to I-Flow exclusive and non-exclusive licenses to InfuSystem's intellectual property related to third-party billing and collection services and management services for use in the field of acute post-operative pain management and in other Products fields including, without limitation, wound site management and post-operative surgical treatments, all subject to the terms and conditions set forth in the License Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the promises and covenants contained in this Agreement, the License Agreement and the Stock Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. NON-EXCLUSIVE RETENTION OF INFUSYSTEM TO FURNISH SERVICES; GRANT OF NON-EXCLUSIVE LICENSE.

A. NON-EXCLUSIVE RETENTION OF INFUSYSTEM. I-Flow hereby retains InfuSystem, as an independent contractor, to be I-Flow's non-exclusive source for third-party billing and certain management services in connection with the manufacturing, marketing, distribution and sale by I-Flow of I-Flow's Products during the term of this Agreement, all on the terms and conditions herein specified, and InfuSystem hereby accepts such retention.

B. GRANT OF NON-EXCLUSIVE LICENSE. I-Flow hereby grants to InfuSystem a non-exclusive, non-transferable, non-assignable, non-sublicenseable, royalty-free license and sublicense to use during the term of this Agreement any intellectual property owned or licensed by I-Flow, which does not require any payment by I-Flow of any royalties or additional license fees or require any additional consent by any third party, solely in connection with InfuSystem's provision of the Billing and Collection Services (as hereinafter defined) and the Management Services (as hereinafter defined) for I-Flow in accordance with and as defined in this Agreement (collectively, the "Licensed IP"). InfuSystem agrees that it shall not use the Licensed IP for any other purpose, including, without limitation, providing any such Billing and Collection Services or Management Services, in whole or in part, to any third party in the acute post-operative pain management market. I-Flow represents and warrants that the Licensed IP does not violate or infringe any patent, copyright, trademark, trade secret, or other intellectual property or contractual right of any third party, and the Licensed IP is all that is necessary for InfuSystem to provide the Services.

2. SERVICES TO BE FURNISHED BY INFUSYSTEM.

A. BILLING AND COLLECTION SERVICES. Upon the terms and subject to the conditions contained in this Agreement, InfuSystem shall furnish the following billing and collection services (the "Billing and Collection Services") to I-Flow:

(1.) InfuSystem shall furnish billing and collection services, including the billing of services and/or products to, and collection of payments and reimbursements from, patients and applicable third-party payors, in material compliance with all applicable laws, rules, regulations and the policies and guidelines applicable to each payor. The billing of each such patient and/or applicable third-party payor shall be processed and completed by InfuSystem within seven (7) Business Days (as defined below) following receipt by InfuSystem of all information required for such billing from I-Flow's Employees (as defined below). For purposes of this Agreement, the term "Business Day" shall mean any day that is

not a Saturday, a Sunday or other day on which banks are required or authorized by applicable law to be closed in New York, New York.

(2.) InfuSystem will provide third party claims submission using commercially reasonable efforts, consistent with its practice prior to the Effective Date.

(3.) InfuSystem will, consistent with its practice prior to the Effective Date, provide assistance in working with third-party professional and patient-care personnel to obtain necessary or appropriate medical records in a timely manner, so as to allow for prompt and accurate billing of fees and charges for the Products. InfuSystem will, consistent with its practice prior to the Effective Date, use commercially reasonable efforts to ensure that all documentation, professional/patient care personnel attestations, and other information necessary or appropriate to permit patient and third-party payor billing by InfuSystem shall materially comply with all applicable laws, rules and regulations, and the policies and guidelines of third-party payors.

(4.) InfuSystem shall utilize such automated billing software and hardware as may be required or appropriate to service I-Flow's manufacturing, marketing, distribution and sale of the Products.

(5.) InfuSystem will notify appropriate I-Flow personnel in writing of any and all problems or questions that occur with respect to billing, collections and/or accounts receivable within seven (7) Business Days from its discovery of such problem and/or question.

(6.) InfuSystem will provide I-Flow with (i) weekly billings activity reports on Mondays of each week for the previous calendar week, (ii) monthly reports of billings, collections, write-offs, adjustments and accounts receivable within seven (7) Business Days after the end of each calendar month for such calendar month, (iii) quarterly MIKA reports without payor details within seven (7) Business Days after the end of each calendar quarter for such calendar quarter and (iv) if requested by I-Flow, quarterly MIKA reports with payor details within ten (10) Business Days after the end of each calendar quarter for such calendar quarter.

(7.) InfuSystem will provide I-Flow with accounts receivable aging on a monthly basis.

(8.) InfuSystem will maintain reasonably detailed records of all collection efforts for each patient. Such records will materially comply with the appropriate payor record-keeping requirements.

(9.) InfuSystem will provide collection services to I-Flow with respect to the collection of all open receivables, consistent with its practice prior to the Effective Date.

(10.) It is understood and agreed by the parties that all amounts billed and collected by InfuSystem on behalf of I-Flow shall be and at all times remain in I-Flow's name and that InfuSystem shall continue to receive all checks, negotiable instruments or other forms of payment directly from patients and third-party payors via the current I-Flow lockbox. In the event I-Flow receives any payments from patients or third-party payors for the Products, I-Flow agrees to provide or make available to InfuSystem a copy of the check, negotiable instrument, or other form of payment and any explanation of benefits accompanying such payments. In the event InfuSystem receives any payments from patients or third-party payors for the Products, InfuSystem shall immediately forward the payment to I-Flow.

B. MANAGEMENT SERVICES. Upon the terms and subject to the conditions contained in this Agreement, InfuSystem shall furnish the following management services (the "Management Services", and together with the Billing and Collection Services, the "Services") to I-Flow:

(1.) **Business Management Assistance.** InfuSystem will provide I-Flow with (i) assistance as needed with tracking of inventory owned by I-Flow and (ii) services of its managed care specialists in working with third-party insurers with respect to maintenance of existing insurance coverage contracts for the Products, in each case consistent with InfuSystem's practice prior to the Effective Date.

(2.) **Advice Concerning Regulatory, Legislative and Industry Changes.** InfuSystem shall (i) advise I-Flow from time to time of pending and current regulatory, legislative and industry changes that may affect I-Flow's manufacturing, marketing, distribution and sale of the Products and of which InfuSystem shall become aware through reasonable good faith efforts, (ii) advise, consult and assist in the maintenance of I-Flow's durable medical equipment (DME) license related to the Products and (iii) perform all administrative tasks in connection with the foregoing, including, without limitation, providing assistance and making appropriate records available in connection with regulatory agency or other third-party audits, in each case consistent with InfuSystem's practice prior to the Effective Date.

(3.) **Medical Record System.** InfuSystem shall, consistent with its practice prior to the Effective Date, assist I-Flow in establishing and maintaining the current system of medical and other records necessary for the third-party billing for the Products. Such system shall be that which is customary and usual for a medical equipment supplier and consistent with the requirements for reimbursement under third-party payor programs in which I-Flow participates. All medical and other records shall remain the property of I-Flow.

(4.) **Staff Development.** InfuSystem will assist in staff development of I-Flow's Employees. InfuSystem will assist in staff education and training required under the Health Insurance Portability and Accountability Act of I-Flow's Employees.

3. I-FLOW'S OBLIGATIONS WITH RESPECT TO THE BILLING AND COLLECTION SERVICES.

A. In connection with the Services, I-Flow shall cause its personnel to execute, keep and make available to InfuSystem all records of the Products supplied and all other forms and documents as shall be necessary or appropriate to allow InfuSystem to perform the Services and to permit InfuSystem and I-Flow to meet the billing and other requirements of any Federal or State law or other third-party payor and administrators. Such documents shall include, without limitation, reimbursement assignments in such forms as may be required by applicable third-party payors.

B. InfuSystem shall have access to necessary medical records pertaining to I-Flow's patients provided with the Products during the term of this Agreement and for a period of six (6) years following the last date of delivery of service by InfuSystem under this Agreement for the purposes of completing, reviewing and calculating billings and collections, and for any other reasonable purpose.

4. PERSONNEL TO BE FURNISHED BY I-FLOW. I-Flow, directly and/or through its agents other than InfuSystem, shall provide and be responsible for personnel required for the operation of I-Flow's business other than the Services expressly provided by InfuSystem herein. Such personnel are collectively referred to herein as "I-Flow's Employees." I-Flow shall be solely responsible for the salaries, compensation, benefits, and expenses of all of I-Flow's Employees. InfuSystem shall have no obligation, whatsoever, to furnish salaries, compensation, benefits and/or expenses to any of I-Flow's Employees.

5. PERSONNEL TO BE FURNISHED BY INFUSYSTEM. Consistent with its practice prior to the Effective Date, InfuSystem shall furnish, directly and/or through its agents, employees and subcontractors, and be fully responsible for, the following personnel at such time and in such numbers as may reasonably be required for the efficient and productive implementation and operation of its obligations: all personnel required in order to furnish I-Flow with all of the services specified in Sections 2.A. and 2.B. above. The personnel described in this Section 5 to be furnished by InfuSystem are referred to herein as "InfuSystem Personnel." InfuSystem shall be solely responsible for the salaries, compensation, benefits, and expenses of all InfuSystem Personnel. I-Flow shall have no obligation, whatsoever, to furnish salaries, compensation, benefits and/or expenses to any InfuSystem Personnel. Proposed staffing increases and salary increases constituting Direct Costs (as defined below) must be approved in writing (which approval shall not be unreasonably delayed, withheld or conditioned) in advance by I-Flow.

6. COMPENSATION OF INFUSYSTEM. For the services provided by InfuSystem pursuant to this Agreement, I-Flow shall pay InfuSystem a monthly service fee (the "Fee") equal to the greater of (a) the actual monthly expenses for those InfuSystem Personnel devoted exclusively to the Services for the Products (the "Direct Costs"), consisting of actual (i) salaries and wages, (ii) payroll taxes, (iii) group insurance, plus an amount equal to forty percent (40%) of the sum of the amounts described in subparagraphs (i) through (iii) above (in lieu of separate

allocations for rent, utilities, telephone, office expense, postage, management time and other administrative costs) or (b) a performance-based fee equal to twenty-five percent (25)% of total actual net cash collections (net of adjustments) received during such month for the Products. InfuSystem shall provide I-Flow with a monthly invoice (an "Invoice") setting forth the amount of the Fee payable, together with reasonably detailed supporting documentation substantiating such amount. I-Flow shall pay the Fee set forth on such Invoice to InfuSystem within thirty (30) calendar days of receipt of such Invoice. If I-Flow objects to any portion of the Fee set forth on any Invoice for any reason, it shall notify InfuSystem in writing of such objection within twenty (20) calendar days of receipt such Invoice, and InfuSystem shall cooperate with I-Flow in good faith to resolve such objection. InfuSystem hereby acknowledges that I-Flow shall have the right to, in good faith, withhold payment of that portion of the Fee set forth on any Invoice with respect to which I-Flow notifies InfuSystem of its objection therewith within the twenty-day period set forth in the immediately preceding sentence until such objection has been resolved to I-Flow's reasonable satisfaction.

7. APPLICABLE STANDARDS. All services rendered or furnished by InfuSystem under this Agreement shall be rendered or furnished in a competent and professional manner and generally consistent with the level provided by InfuSystem prior to the Effective Date. All billing and collection services will be performed materially in accordance with all applicable statutes and regulations, and with the rules and policies of all applicable third-party payors.

8. TERM AND TERMINATION.

A. TERM. The initial term of this Agreement shall be three (3) years, commencing on the Effective Date; provided that this Agreement shall be automatically renewed for succeeding terms of one (1) year each unless, at least one hundred twenty (120) calendar days prior to the expiration of the then-current term, either party gives to the other party written notice of its intent to not renew the Agreement. During any and all renewal terms of this Agreement, all of the terms and provisions hereof will remain in full force and effect, save and except only as modified or amended in the manner specified in this Agreement.

B. TERMINATION. This Agreement, during both the original term and any renewal terms hereof, cannot be terminated prior to the expiration of the then-current term except as follows:

(1.) **Termination by I-Flow.** I-Flow shall have the right to terminate this Agreement at any time in its discretion upon at least one hundred eighty (180) calendar days prior written notice to InfuSystem.

(2.) **Termination by InfuSystem.** InfuSystem shall have the right to terminate this Agreement by providing in its discretion a notice at any time after the first anniversary of the Effective Date, which notice shall designate a termination date no earlier than one hundred eighty (180) calendar days after the date of such notice.

(3.) **After Notice and Opportunity to Cure.** Either party shall have the right to terminate this Agreement if the other party materially breaches this Agreement or materially defaults in the performance of a provision of this Agreement and such material breach or default is not cured within sixty (60) calendar days after the defaulting party receives written notice of such breach or default from the other party.

(4.) **Immediately.** Either party shall have the right to terminate this Agreement immediately upon delivery of written notice of termination to the other party if such other party:

(a.) is in material breach or default under this Agreement and has failed to cure such breach or default within the time specified for curing a material breach or default;

(b.) applies for or consents to the appointment of a receiver, trustee or liquidator of all or substantially all of its assets, or files a petition or an answer seeking reorganization or to otherwise take advantage of any insolvency law;

(c.) files a voluntary petition in bankruptcy, admits in writing its inability to pay its debts as they become due, or makes a general assignment for the benefit of creditors;

(d.) is adjudicated bankrupt or insolvent by a court of competent jurisdiction or is the subject of such a court's order, judgment or decree approving a petition seeking its reorganization; or

(e.) has a receiver or trustee appointed by a court of competent jurisdiction to manage its assets, and such receiver or trustee has not been discharged within forty-five (45) calendar days after appointment.

The effective date of any termination under this subsection (4.) shall be the date upon which the defaulting party receives the written notice required by this subsection.

(5.) **Upon Mutual Consent.** This Agreement may be terminated upon the mutual written consent of the parties.

(6.) **Upon Breach of Privacy Provisions.** Upon I-Flow's knowledge of a material breach by InfuSystem of Section 23 of this Agreement, I-Flow may:

(a.) Provide an opportunity for InfuSystem to cure the breach or end the violation, which cure period may be less than sixty (60) calendar days. Should I-Flow provide InfuSystem an opportunity to cure the breach or end the violation of Section 23 and InfuSystem does not cure the

breach or end the violation within time specified by I-Flow, I-Flow shall have the right to terminate this Agreement immediately;

(b.) Immediately terminate this Agreement if InfuSystem has breached a material term of Section 23 of this Agreement and cure is not possible; or

(c.) If neither termination nor cure is feasible, I-Flow shall report the violation to the Secretary of the Department of Health and Human Services.

C. RETURN OF RECORDS. Upon termination of this Agreement for any reason, all information and records owned or provided by I-Flow to InfuSystem, or created or received by InfuSystem on behalf of I-Flow, including, without limitation, any managed care contracts and any “Protected Healthcare Information,” as that term is defined by the Federal Privacy Rule (hereafter “PHI” and, collectively with all such information and records, the “Information”), must be, at I-Flow’s expense, returned to I-Flow or destroyed within thirty (30) calendar days of termination (or, if shorter in duration, within the period of time provided by applicable law, rules or regulations). This provision shall apply to PHI that is in the possession of subcontractors or agents of InfuSystem. InfuSystem shall retain no copies of the PHI.

In the event that InfuSystem determines that returning or destroying the Information is infeasible, InfuSystem shall provide to I-Flow notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the parties, InfuSystem shall extend the protections of this Agreement to such Information and limit further uses and disclosures of such Information to those purposes that make the return or destruction infeasible, for so long as InfuSystem maintains such Information.

D. EFFECT OF TERMINATION OR NON-RENEWAL. In the event I-Flow (i) elects not to renew this Agreement pursuant to Section 8(A), or (ii) terminates this Agreement pursuant to Section 8(B)(1), I-Flow shall be responsible for an amount equal to the lower of (a) the aggregate amount of the rent payable by InfuSystem under the real property lease for the space occupied by the InfuSystem Personnel (including any termination penalties or rental charges incurred following such termination or non-renewal), determined reasonably and consistent with past practice, for the remainder of the then current lease term as of the date of such notice of non-renewal or termination, as applicable (the “Current Lease Term”), less all amounts actually received by InfuSystem in connection with any sublease or assignment of the real property lease for such space, or (b) \$50,000 (the lower of such two amounts, the “Rent Payable”). I-Flow shall pay the Rent Payable, if any, to InfuSystem on or prior to the thirtieth (30th) calendar day following the end of the Current Lease Term.

9. ENTIRE AGREEMENT; AMENDMENT AND MODIFICATION; RELEASE.

A. This Agreement amends and restates the Existing Agreement in its entirety and supersedes the Existing Agreement in all respects. This Agreement contains the entire agreement by and between the parties with respect to the subject matter of this Agreement and supersedes any and all prior understandings, agreements and representations, both oral and written, regarding the subject matter of this Agreement.

B. Any modification or amendment of or to this Agreement must be in writing and executed by I-Flow and by InfuSystem. The parties agree to take such action as is necessary to amend this Agreement from time to time as necessary for I-Flow or InfuSystem to comply with the requirements of the Federal Privacy Rule in the Standards for Privacy of Individually Identifiable Health Information at 45 CFR 164.501 (the "Federal Privacy Rule") and the Health Insurance Portability and Accountability Act, Public Law 104-191.

C. Each of I-Flow, on the one hand, and InfuSystem, on the other hand, on behalf of itself and each of its respective affiliates, employees, agents, successors and assigns (each, a "Releasing Party"), hereby fully releases and discharges the other and each of its respective affiliates, employees, agents, successors and assigns (each, a "Released Party"), from, and to the extent applicable, relinquishes, all rights, obligations, liabilities, claims and actions, whether known or unknown, now existing or hereafter arising, at law or in equity or otherwise, that each such Releasing Party now has or may have against any Released Party, arising out of or in connection with the Existing Agreement or the providing of comparable services prior to the date hereof.

10. EFFECT OF INVALIDITY OR UNENFORCEABILITY. In the event that any of the provisions of this Agreement or any section, paragraph, sentence, clause, phrase, word or numeral or the application thereof in any circumstance shall be held by any court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall be severable and severed from and shall not affect the validity or enforceability of such provisions, section, paragraph, sentence, clause, phrase, word or numeral in any other circumstance and/or the validity or enforceability of the remainder of this Agreement, unless such severance would materially destroy the intent of the parties in entering into this Agreement, in which case the parties shall immediately commence negotiations in good faith to achieve a revised, fully valid and enforceable Agreement; provided, however, that if such a revised, fully valid and enforceable Agreement is not executed by both parties within thirty (30) calendar days after the event triggering severance, then either party may immediately terminate this Agreement.

11. AGREEMENT NOT RESTRICTIVE. Except as otherwise expressly specified herein, nothing in this Agreement shall be construed to prevent either party from otherwise conducting business, or entering into any contractual relationship with any third party.

12. NOTICES. 13. BINDING EFFECT; ASSIGNMENT; NO THIRD-PARTY RIGHTS. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Nothing expressed or implied in this Agreement is intended to or shall be construed to confer upon or give any person or entity other than InfuSystem and I-Flow any rights or remedies under or by reason of this Agreement or any transaction contemplated hereby.

14. RELATIONSHIP OF THE PARTIES. Nothing herein contained shall constitute or be construed to create a partnership, joint venture or employer/employee relationship between I-Flow and InfuSystem or between InfuSystem and any of I-Flow's Employees or between I-Flow and any InfuSystem Personnel. The relationship of I-Flow and InfuSystem under and pursuant to this Agreement is that of principal and independent contractor, respectively. 16. LIABILITY AND INDEMNIFICATION.

A. InfuSystem shall be solely responsible for, and shall indemnify I-Flow and its directors, officers, employees, agents and representatives against, any and all liabilities, losses, claims, suits, judgment, damages, costs, expenses, interest and legal fees that proximately result from any act of, or omission by, InfuSystem or any of InfuSystem's Personnel, employees, contractors, agents or representatives.

C. Subject to the provisions of subsections A. and B. of this Section 16, the parties shall make all reasonable efforts, consistent with advice of counsel and the requirements of the respective insurance policies and carriers, to coordinate the defense of all claims arising out of the Services to be provided under this Agreement.

D. I-FLOW HEREBY ACKNOWLEDGES AND AGREES THAT INFUSYSTEM HAS AGREED TO PROVIDE THE SERVICES HEREUNDER SOLELY AS AN ACCOMMODATION TO I-FLOW AND THAT SUCH SERVICES ARE PROVIDED ON THE BASIS AND IN THE MANNER PROVIDED IN THIS AGREEMENT SUCH THAT, EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER INFUSYSTEM NOR ITS AFFILIATES MAKES ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY WITH RESPECT TO THE SERVICES OR THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, NON-INFRINGEMENT, ACCURACY, AVAILABILITY, TIMELINESS, COMPLETENESS OR THE RESULTS TO BE OBTAINED FROM SUCH SERVICES, AND INFUSYSTEM AND ITS AFFILIATES HEREBY DISCLAIM THE SAME.

E. NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE TO THE OTHER (A) FOR ANY PUNITIVE, EXEMPLARY OR OTHER SPECIAL DAMAGES ARISING UNDER OR RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF, AND/OR (B) FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF USE, INCOME, PROFITS OR ANTICIPATED PROFITS, BUSINESS OR BUSINESS OPPORTUNITY, SAVINGS, DATA, OR BUSINESS REPUTATION), ARISING UNDER OR RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF, REGARDLESS OF WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, BREACH OF WARRANTY, TORT, NEGLIGENCE

17. WAIVER. The waiver by any party to this Agreement of any provision of this Agreement or of any breach of this Agreement shall not operate as or be construed as a continuing waiver of such provision or a waiver of any continuing breach, subsequent breach, or any other breach, and any statement or conduct by or of any party or such party's representative with respect to any such waiver shall not estop such party from asserting or exercising any rights with respect to any provision or any subsequent, continuing or other breach. No waiver shall be valid unless it is asserted in a written document and signed by the duly authorized representative of the party against whom such waiver is being asserted.

18. CHANGE OF CIRCUMSTANCES. 19. ARBITRATION; ATTORNEYS' FEES. Any and all disputes between InfuSystem and I-Flow pertaining to and/or arising out of this Agreement and/or the interpretation, performance and/or breach of this Agreement shall, to the extent that the relief sought is within the jurisdiction of an arbitrator in a statutory arbitration to award, be settled exclusively by arbitration in Michigan, in accordance with the JAMS Comprehensive Arbitration Rules and Procedures then in effect; provided, however, that the parties may, by mutual agreement, modify such rules of JAMS then in effect to provide for the parties' exercise of whatever discovery mechanisms, prior to the arbitration hearing, they may mutually agree upon; provided, further, that the arbitrator shall be chosen mutually by the parties and shall not have jurisdiction or authority to change, add to, or subtract from any of the provisions of this Agreement and shall issue a written decision, including findings of fact and conclusions of law. The arbitrator's decision shall be final and binding and judgment may be entered on the arbitrator's award in any court of competent jurisdiction.

If any party to this Agreement shall bring any action, suit, arbitration, mediation, counterclaim or appeal for any relief against any other party, declaratory or otherwise, to enforce the terms hereof or to declare rights hereunder, the Prevailing Party in such action shall be entitled to recover as recoverable costs in any such action its actual attorneys' fees and costs, all expert fees and costs, all court and arbitration expenses, and any other costs reasonably and properly incurred, including any fees and costs incurred in bringing and prosecuting such action and enforcing any order, judgment, ruling, or award granted as part of such action. As used in this Section, "Prevailing Party" shall include, without limitation, a party which obtains substantially the relief sought by it.

20. JURISDICTION; FORUM SELECTION. To the extent that the relief sought in any action brought by any party hereto against the other arising out of or in any way related to any of the terms or provisions of this Agreement or to the performance or breach thereof, whether such action is at law or in equity, is beyond the jurisdiction of an arbitrator in a statutory arbitration to award, the parties agree that the sole forum for any such action shall be a court of competent jurisdiction in Michigan.

21. CORPORATE AUTHORITY. Each party to this Agreement represents and warrants to the other that it has the right, power, legal capacity and authority to enter into and perform its obligations under this Agreement, and that all necessary approvals and consents have been obtained in connection with the execution and performance of this Agreement. Each party further represents and warrants that its execution and delivery of this Agreement has been duly authorized by its respective governing body.

22. CONFIDENTIALITY. The parties recognize that in connection with the performance of this Agreement, the parties may furnish and disclose to each other confidential and proprietary information including, without limitation, information relating to the parties' respective organization, personnel, business activities, policies, finances, costs, marketing plans, projected revenues, technology, rights, obligations, liabilities, strategies and customer lists (collectively, "Confidential Information"). Each party, to the extent it comes into possession of Confidential Information of the other party, agrees that, except as expressly contemplated by this Agreement, it shall not directly or indirectly use such Confidential Information for its own benefit or in connection with its business relationships with patients/customers/clients of the owner of the Confidential Information, and shall take all reasonable care to ensure that such Confidential Information shall not be disclosed to any third party, including imposing reasonable confidentiality requirements with respect to such Confidential Information on its employees, agents, counsel, accountants and other representatives, except insofar as: (i) disclosure may be specifically authorized in writing from time to time by the owner of the Confidential Information; (ii) such Confidential Information is required to be disclosed in connection with performance of this Agreement, or pursuant to any right or license granted by the owner of the Confidential Information; (iii) the recipient of the Confidential Information can demonstrate, by independent documentation, that such Confidential Information was previously made public by the Confidential Information's owner; (iv) the recipient of the Confidential Information can demonstrate, by independent documentation, that such Confidential Information was in the public domain, prior to its disclosure hereunder and otherwise than as a consequence of a breach of its obligations hereunder; (v) the recipient of the Confidential Information can demonstrate, by independent documentation, that such Confidential Information was known by the recipient prior to its disclosure hereunder or was independently developed by the recipient without the aid or use of any information disclosed hereunder; or (vi) such disclosure is required under compulsion of law, including subpoena, civil investigative demand, oral questions or interrogatories, or other compulsory process; provided that, the Confidential Information's owner shall be given notice of service of such demand or process and a reasonable opportunity to defend against such demand or process, and the party against whom such demand or process is asserted provides all reasonable cooperation in opposing the same to the fullest extent permitted by law. Each of the parties, for itself and its successors and assigns, acknowledges that any violation of this

Section 22 would seriously and irreparably injure the owner of the Confidential Information. In addition to all other remedies permitted by law or in equity and without limiting any action at law or in equity to which such owner may be entitled, the owner of any Confidential Information shall be entitled to seek injunctive relief, without bond, to enforce the terms and conditions stated herein.

23. PRIVACY. In the course of providing services pursuant to this Agreement, InfuSystem may receive or create PHI on behalf of I-Flow. As a result, InfuSystem may be deemed a “Business Associate” of I-Flow, as that term is defined at 45 CFR 160.103, and must utilize appropriate safeguards to prevent the use or disclosure of PHI other than as provided for by this Agreement.

A. To this end, InfuSystem agrees as follows:

(1.) InfuSystem agrees not to use or further disclose PHI other than as permitted or required by this Agreement or as required by law.

(2.) InfuSystem agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Agreement. InfuSystem agrees to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of electronic PHI that it creates, receives, maintains or transmits on behalf of I-Flow.

(3.) InfuSystem agrees to mitigate, to the extent practicable, any harmful effect that is known to InfuSystem of a use or disclosure of PHI by InfuSystem in violation of the requirements of this Agreement.

The obligations of each party under this Section 7.1 shall survive any termination of this Agreement and expire upon the fifth (5th) anniversary of the effective date of such termination. 7.5 Counterparts. This Agreement may be executed in two or more counterparts (including by means of facsimile), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

7.6 Severability. Should any part or provision of this Agreement be rendered or declared invalid by reason of any law or by decree of a court of competent jurisdiction, the validity of any other term, clause, or provision shall not be affected provided that such invalid or unenforceable provision is and can be replaced with an enforceable clause which most closely achieves the result intended by such invalid clause.

7.7 Headings. The headings used in this Agreement are for reference only and shall not affect the meaning or interpretation of any provision of this Agreement.

7.8 Drafting. The Parties agree that this Agreement shall not be construed against either Party as the drafter.

7.9 Waiver. No waiver or delay by either Party of any breach of the covenants contained herein to be performed by the other Party shall be construed as a waiver of any succeeding breach of the same or any other covenants or conditions hereof.

CONTINUING GUARANTY

THIS GUARANTY (this “Guaranty”) is made and entered into as of the 29th day of September, 2006 by Pat LaVecchia, Sean D. McDevitt and Philip B. Harris (each a “Guarantor”, and together, the “Guarantors”) in favor of I-Flow Corporation, a Delaware corporation (“Seller”).

RECITALS

A. WHEREAS, Seller and HAPC, Inc. a Delaware corporation (the “Buyer”) desire to enter into the Stock Purchase Agreement dated as of September 29, 2006 (the “SPA”; terms defined in the SPA and not otherwise defined herein are used herein as therein defined) among the Seller, Buyer, InfuSystem, Inc., a California corporation and Iceland Acquisition Subsidiary, Inc, a California corporation.

B. WHEREAS, it is a condition precedent to the Closing that the Guarantors deliver this Guaranty.

NOW, THEREFORE, in consideration of the above Recitals, which are incorporated into the Agreement below by reference as if fully set forth therein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each Guarantor, Guarantors agree with Seller as follows:

ARTICLE I AGREEMENTS

Section 1.1 Guaranty. Guarantors, jointly and severally, unconditionally guarantee the full and prompt payment to Seller when due of the Termination Fee (the “Guaranteed Obligations”).

Section 1.2 Continuing Guaranty. This Guaranty is given by the Guarantors and each of them, without regard to any other guaranty by the other signers hereof, or otherwise, and each Guarantor agrees that it shall continue in full force and effect notwithstanding the death or release of, or the extension of time to, any of the other Guarantors. This Guaranty shall be construed as a continuing, absolute and unconditional guaranty of payment (and not merely of collection) without regard to: (a) the legality, validity or enforceability of the Guaranteed Obligations or any agreement, instrument or lien evidencing, guaranteeing or securing the Guaranteed Obligations; (b) any defense (other than payment), set-off or counterclaim that may at any time be available to the Buyer or any other Guarantor against, and any right of setoff at any time held by, the Seller; or (c) any other circumstance whatsoever (with or without notice to or knowledge of Guarantors), whether or not similar to the foregoing, that constitutes, or might be construed to constitute, an equitable or legal discharge of the Buyer or any other Guarantor, in bankruptcy or in any other instance.

Section 1.3 Obligations Joint and Several. The obligations of the Guarantors hereunder are joint and several, and independent of the obligations of the Buyer, and a separate

action or actions may be brought and prosecuted against any or all of the Guarantors whether action is brought against the Buyer or any other Guarantor or whether the Buyer or any other Guarantor be joined in any such action or actions; and Guarantors waive the benefit of any statute of limitations affecting their liability hereunder or the enforcement thereof.

Section 1.4 Authorization. The Guarantors hereby authorize the Seller, without notice to or further assent by the Guarantors, and without affecting the Guarantors' liability hereunder (regardless of whether any subrogation or similar right that the Guarantors may have or any other right or remedy of the Guarantors is extinguished or impaired), from time to time to: (a) terminate, release, compromise, subordinate, extend, accelerate or otherwise change the amount or time, manner or place of payment of, or rescind any demand for payment or acceleration of, the Guaranteed Obligations or any part thereof, or otherwise amend the terms and conditions of the SPA, or any provision thereof (provided that the amount of the Termination Fee or the terms under which it becomes payable may not be amended without the prior written consent of the Guarantors); (b) take and hold collateral from the Buyer or any other Person, perfect or refrain from perfecting a lien on such collateral, and exchange, enforce, subordinate, release (whether intentionally or unintentionally), or take or fail to take any other action in respect of, any such collateral or lien or any part thereof; (c) exercise in such manner and order as it elects in its sole discretion, fail to exercise, waive, suspend, terminate or suffer expiration of, any of the remedies or rights of the Seller against the Buyer or any other obligor in respect of any Guaranteed Obligations or any collateral securing the Guaranteed Obligations; (d) release, add or settle with any obligor (including any Guarantor) in respect of this Guaranty; (e) accept partial payments on the Guaranteed Obligations and apply any and all payments or recoveries from any obligor (including any Guarantor) or collateral to such of the Guaranteed Obligations as the Seller may elect in its sole discretion; and (f) refund at any time, at the Seller's sole discretion, any payments or recoveries received by the Seller in respect of any Guaranteed Obligations.

Section 1.5 Certain Waivers. The Guarantors waive: (a) the right to require the Seller to proceed against the Buyer or any other obligor, to proceed against or exhaust any collateral or to pursue any other remedy in the Seller's power whatsoever and the right to have the property of the Buyer or any other obligor first applied to the discharge of the Guaranteed Obligations; (b) all rights and benefits under applicable law purporting to reduce a guarantor's obligations in proportion to the obligation of the principal or providing that the obligation of a surety or guarantor must neither be larger nor in other respects more burdensome than that of the principal; (c) the benefit of any statute of limitations affecting the Guaranteed Obligations or the Guarantors' liability hereunder; (d) any requirement of marshalling or any other principle of election of remedies and all rights and defenses arising out of an election of remedies by the Seller, even though that election of remedies, such as nonjudicial foreclosure with respect to the security for a guaranteed obligation, has destroyed the Guarantor's rights of subrogation and reimbursement against the Buyer; (e) any right to assert against the Seller any defense (legal or equitable), set-off, counterclaim and other right that the Guarantors may now or at any time hereafter have against the Buyer or any other obligor; (f) presentment, demand for payment or performance (including diligence in making demands hereunder), notice of dishonor or nonperformance, protest, acceptance and notice of acceptance of this Guaranty, and all other notices of any kind, including (i) notice of the existence, creation or incurrence of new or

additional Guaranteed Obligations, (ii) notice of any action taken or omitted by the Seller in reliance hereon, (iii) notice of any default by any obligor, (iv) notice that any portion of the Guaranteed Obligations is due, (iv) notice of any action against any obligor, or any enforcement of other action with respect to any collateral, or the assertion of any right of the Seller hereunder; (g) any rights, defenses and other benefits the Guarantors may have by reason of any failure of the Seller to hold a commercially reasonable public or private foreclosure sale or otherwise to comply with applicable law in connection with a disposition of collateral; and (h) all defenses that at any time may be available to the Guarantors by virtue of any valuation, stay, moratorium or other law now or hereafter in effect and ALL RIGHTS AND DEFENSES THAT ARE OR MAY BECOME AVAILABLE TO THE GUARANTOR BY REASON OF APPLICABLE LAW. For the avoidance of doubt, nothing herein shall obligate the Guarantors to make any payment which is illegal for the Guarantors to have made under any law, regulation or order now or hereafter in effect in any jurisdiction applicable to the Guarantors. Notwithstanding anything herein to the contrary, nothing herein shall restrict the Guarantors' right to contest whether the termination fee is due under the terms of the SPA.

Section 1.6 Subrogation; Certain Agreements.

(a) THE GUARANTORS WAIVE ANY AND ALL RIGHTS OF SUBROGATION, INDEMNITY OR REIMBURSEMENT, ANY AND ALL BENEFITS OF AND RIGHTS TO ENFORCE ANY POWER, RIGHT OR REMEDY THAT THE SELLER MAY NOW OR HEREAFTER HAVE IN RESPECT OF THE GUARANTEED OBLIGATIONS AGAINST THE BUYER OR ANY OTHER OBLIGOR, ANY AND ALL BENEFITS OF AND RIGHTS TO PARTICIPATE IN ANY COLLATERAL, WHETHER REAL OR PERSONAL PROPERTY, NOW OR HEREAFTER HELD BY THE SELLER, AND ANY AND ALL OTHER RIGHTS AND CLAIMS (AS DEFINED IN THE BANKRUPTCY CODE) THE GUARANTORS MAY HAVE AGAINST THE BUYER OR ANY OTHER OBLIGOR, UNDER APPLICABLE LAW OR OTHERWISE, AT LAW OR IN EQUITY, BY REASON OF ANY PAYMENT HEREUNDER, UNLESS AND UNTIL THE GUARANTEED OBLIGATIONS SHALL HAVE BEEN PAID IN FULL. Without limitation, the Guarantor shall exercise no voting rights, shall file no claim, and shall not participate or appear in any bankruptcy or insolvency case involving the Buyer with respect to the Guaranteed Obligations unless and until all the Guaranteed Obligations shall have been paid in full. If, notwithstanding the foregoing, any amount shall be paid to the Guarantor on account of any such rights at any time, such amount shall be held in trust for the benefit of the Seller and shall forthwith be paid to the Seller to be held as collateral or credited and applied in accordance with the terms of the SPA upon the Guaranteed Obligations, whether matured, unmatured, absolute or contingent, in the discretion of the Seller.

(b) The Guarantors assume the responsibility for being and keeping themselves informed of the financial condition of the Buyer and each other obligor and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations that diligent inquiry would reveal, and agrees that the Seller shall have no duty to advise the Guarantors of information regarding such condition or any such circumstances.

Section 1.7 Bankruptcy No Discharge.

(a) This Guaranty shall not be discharged or otherwise affected by any bankruptcy, reorganization or similar proceeding commenced by or against the Buyer or any other obligor, including (i) any discharge of, or bar or stay against collecting, all or any part of the Guaranteed Obligations in or as a result of any such proceeding, whether or not assented to by the Seller, (ii) any disallowance of all or any portion of the Seller's claim for repayment of the Guaranteed Obligations and (iii) any amendment, modification, stay or cure of the Seller's rights that may occur in any such proceeding. The Guarantors understand and acknowledge that by virtue of this Guaranty, each Guarantor has specifically assumed any and all risks of any such proceeding with respect to the Buyer and each other obligor.

(b) Notwithstanding anything to the contrary herein contained, this Guaranty (and any lien on any collateral securing this Guaranty or the Guaranteed Obligations) shall continue to be effective or be reinstated, as the case may be, if at any time any payment, or any part thereof, of any or all of the Guaranteed Obligations is rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be restored or returned by the Seller in connection with any bankruptcy, reorganization or similar proceeding involving the Buyer, any other obligor or otherwise, if the proceeds of any collateral are required to be returned by the Seller under any such circumstances, or if the Seller elects to return any such payment or proceeds or any part thereof in its sole discretion, all as though such payment had not been made or such proceeds had not been received. Without limiting the generality of the foregoing, if prior to any such rescission, invalidation, declaration, restoration or return, this Guaranty shall have been cancelled or surrendered (or if any lien or collateral shall have been released or terminated in connection with such cancellation or surrender), this Guaranty (and such lien and collateral) shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, discharge or otherwise affect the obligations of the Guarantors in respect of the amount of the affected payment or application of proceeds (or such lien or collateral).

Section 1.8 Subordination. Effective if and at the time any Guaranteed Obligations become due and payable hereunder, the Guarantors hereby absolutely subordinate, both in right of payment and in time of payment, any and all present or future obligations and liabilities of the Buyer and each other obligor to the Guarantors ("Subordinated Debt"), to the prior payment in full in cash of the Guaranteed Obligations, whether or not such Subordinated Debt constitutes or arises out of any subrogation, reimbursement, contribution, indemnity or similar right attributable to this Guaranty. If, whether or not at the Seller's request, any Guarantor shall receive, after any Guaranteed Obligations become due and payable hereunder and prior to payment in full in cash of all Guaranteed Obligations, payment of any sum from the Buyer or any other obligor upon any Subordinated Debt, any such sum shall be received by such Guarantor as trustee for the Seller and shall forthwith be paid over to the Seller on account of the Guaranteed Obligations, without reducing or affecting in any manner the liability of such Guarantor under this Guaranty.

Section 1.9 Expenses. In addition to all sums payable hereunder, Guarantors agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Seller in connection with the enforcement of this Guaranty or any other documents relating to the Guaranteed Obligations, whether or not a suit is brought against Buyers or Guarantors.

**ARTICLE II
REPRESENTATIONS AND WARRANTIES**

Each Guarantor hereby acknowledges and warrants that he has derived or expects to derive a financial advantage from the transactions contemplated by the SPA and this Guaranty.

**ARTICLE III
MISCELLANEOUS**

Section 3.1 Governing Law; Forum; Service of Process. This Guaranty shall be governed by the internal laws of the State of New York, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of law principles of the State of New York. Each Guarantor irrevocably agrees that any legal action or proceeding arising out of or relating to this Guaranty may be determined in any New York state or federal court sitting in New York County, and each Guarantor hereby irrevocably submits to the non-exclusive jurisdiction of the aforesaid courts for itself and with respect to its property. Each Guarantor further agrees to accept service of process in any manner permitted by such courts

Section 3.2 Amendments. No amendment of any provision of this Guaranty (including a waiver thereof or consent relating thereto) shall be effective unless the same shall be in writing and signed by the Seller and (except in the case of an unconditional waiver or consent) each Guarantor. Any waiver or consent relating to any provision of this Guaranty shall be effective only in the specific instance and for the specific purpose for which given. No notice to or demand on the Guarantors in any case shall entitle the Guarantors to any other or further notice or demand in similar or other circumstances.

Section 3.3 Successors and Assigns. This Guaranty and each amendment hereof shall be binding upon and, subject to the next sentence, inure to the benefit of the Guarantor, the Seller and their respective heirs, personal representatives, executors, successors and assigns. The Guarantors shall not assign any of their rights or obligations hereunder without the prior written consent of the Seller. The benefit of this Guaranty shall automatically pass with any assignment of the Guaranteed Obligations (or any portion thereof), to the extent of such assignment.

Section 3.4 Cumulative Remedies; Failure or Delay. The rights and remedies provided for under this Guaranty are cumulative and are not exclusive of any rights and remedies that may be available to the Seller under applicable law or otherwise. No failure or delay on the part of the Seller in the exercise of any power, right or remedy under this Guaranty shall impair such power, right or remedy or shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or remedy preclude other or further exercise of such or any other power, right or remedy.

Section 3.5 Counterparts. This Guaranty may be executed in counterparts, each of which shall be deemed and original, but all of which shall constitute one and the same instrument, and in making proof of this Guaranty it shall not be necessary to produce or account for more than one such counterpart.

IN WITNESS WHEREOF, the undersigned Guarantors have executed this Guaranty effective as of September 29, 2006

HAPC, Inc. Announces Agreement to Purchase InfuSystem, Inc.

New York – October 2, 2006-HAPC, Inc. (OTCBB:HAPN) announced today that it has entered into a definitive agreement to acquire InfuSystem, Inc., a wholly-owned subsidiary of I-Flow Corporation (NASDAQ:IFLO) for \$140 million.

InfuSystem is a nationwide leader in ambulatory infusion pump management services to oncologists and their patients. InfuSystem works directly with oncology practices to provide continuous infusion pumps and related billing, collection, and administrative services primarily to colorectal cancer patients. The use of continuous infusion chemotherapy regimens has grown significantly during the past three years, driven by superior therapeutic outcomes, greater patient satisfaction, and lower costs than traditional bolus chemotherapy.

“InfuSystem fits perfectly with HAPC’s acquisition criteria of strong growth, high margins, and an excellent management team,” said Sean McDevitt, Chairman of the Board of HAPC. “InfuSystem’s executives have worked together for the past 15 years developing this unique business model and delivering strong financial results. We are excited to partner with them for the future.”

Donald M. Earhart, Chairman, President and Chief Executive Officer of I-Flow, said, “InfuSystem has been an outstanding performer since I-Flow acquired the business in 1998. As we move forward, however, our strategic focus for future growth is on I-Flow pain relief products and our goal of being the leader in treating acute pain after surgery.”

According to the terms of the agreement, HAPC will acquire all the outstanding shares of InfuSystem from I-Flow through a newly formed subsidiary of HAPC. The aggregate consideration for the acquisition is \$140 million, subject to adjustment relating to the level of working capital. I-Flow will receive the aggregate consideration in cash or a combination of cash and a promissory note, depending on financing arrangements to be determined prior to closing.

Pursuant to HAPC’s certificate of incorporation, the acquisition must be approved by the holders of a majority of the shares of HAPC common stock sold in HAPC’s initial public offering (the “IPO”). In addition, the acquisition cannot be completed if the holders of 20% or more of the shares of HAPC common stock sold in the IPO vote against the acquisition and contemporaneously demand that their shares be converted into the right to receive a pro rata portion of the net proceeds of the IPO held in the trust account established for this purpose at the time of the IPO.

The transaction is expected to close by either the end of 2006 or the first quarter of 2007, subject to customary closing conditions and the aforementioned stockholder approval.
