PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of InfuSystem Holdings, Inc. (the "Company") to be used at the Annual Meeting of Stockholders to be held on Thursday, August 29, 2013, and at any adjournment thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement and the accompanying materials are expected to be first sent or given to stockholders of the Company on or about July 29, 2013.

The close of business on July 12, 2013 has been fixed as the record date (the "Record Date") for the determination of the stockholders entitled to notice of and to vote at the Meeting. Only holders of shares of the Company's common stock, par value \$0.0001 per share ("Common Stock"), as of the Record Date are entitled to notice of and to vote at the Meeting. Each share of Common Stock entitles the holder thereof to one vote per share on each matter presented to the stockholders for approval at the Meeting. On the Record Date, there were 22,088,731 shares of Common Stock outstanding and entitled to vote.

If your shares are registered directly in your name with the Company's transfer agent, Computershare, you are considered the "stockholder of record" of those shares and this Proxy Statement and the accompanying materials are being sent directly to you by the Company.

If you are a stockholder of record (also called a "registered stockholder") you can vote your shares in person at the Meeting or you can vote by proxy using the Internet at www.investorvote.com/INFU or by telephone at 1-800-652-VOTE (8683) or by completing and returning the enclosed proxy card by mail.

Whichever method you use, each valid proxy received in time will be voted at the Meeting in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on August 28, 2013. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

You may change your vote or revoke your proxy at any time before it is voted at the Meeting by executing a later-voted proxy by telephone, mail or the Internet or by voting by ballot at the Meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name (also called a "street name" holder), and this Proxy Statement and the accompanying materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record of those shares. As a beneficial owner, you have the right to direct your broker, bank or nominee on how to vote the shares held in your account. If you do not provide instructions to the broker, bank or nominee, that firm will only be able to vote your shares with respect to "routine" matters. Please note that pursuant to revised broker voting regulations, the only routine matter for the Meeting and the only matter for which brokers, banks and nominees will have the discretion to vote, is Proposal 6 (Ratification of Independent Public Accounting Firm). Your broker, bank or nominee must have proper instructions from you in order to vote with respect to Proposal 1 (Election of Directors), Proposal 2 (Amendment of our Certificate of Incorporation Pursuant to Credit Agreement), Proposal 3 (Increase to Shares Authorized for Issuance under the Company's 2007 Stock Incentive Plan), Proposal 4 (Advisory Vote on Executive Compensation) and Proposal 5 (Advisory Vote on the Frequency of Advisory Votes on Executive Compensation), and without proper instructions from you, the broker, bank or nominee will not have the power to vote on, and will be considered a "broker non-vote" for, such proposal. We recommend that you contact your broker, bank or nominee to assure that your shares are properly voted.

Table of Contents

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock entitled to vote at the Meeting will constitute a quorum.

The vote required, and the effect of abstentions and broker non-votes with respect to each proposal, is as follows:

The Board of Directors (Proposal 1) will be elected by a majority of the votes cast by the shares of the Company's common stock issued and outstanding as of the Record Date (the "Common Stock") that are present, in person or by proxy. You may vote in favor or withhold your vote with respect to each individual nominee. Votes that are withheld are considered votes cast. Broker non-votes and abstentions are not considered votes cast.

The proposal to approve an amendment of our Certificate of Incorporation pursuant to the Credit Agreement (Proposal 2) will require the affirmative vote of the holders of a majority of all outstanding shares of Common Stock. Therefore, the failure to vote (either by proxy or in person), abstentions and broker non-votes will all have the same effect as a vote against the approval of the proposal.

The proposal to approve an increase in the number of shares authorized for issuance under the Company's 2007 Stock Incentive Plan (Proposal 3), will require the affirmative vote of a majority of the shares of the Company's Common Stock that are present in person or by proxy at the Annual Meeting and entitled to vote. Any shares not voted, whether by abstention, broker non-votes, failure to vote (either by proxy or in person) or otherwise will not be included in the vote totals, and as such, will have no effect on the outcome of this proposal.

The proposal to provide advisory approval of the compensation paid to our named executive officers (Proposal 4) will be approved if the number of shares of Common Stock favoring the proposal exceeds the number of shares of Common Stock opposing it. Any shares not voted, whether by abstention, broker non-votes, failure to vote (either by proxy or in person) or otherwise will not be included in the vote totals, and as such, will have no effect on the outcome of this proposal.

The proposal to advise the Company on the frequency of conducting advisory votes on the compensation of our named executive officers in the future (Proposal 5) has no threshold that must be obtained for a frequency to be approved. The Company will consider the frequency (one, two or three years) that receives the highest number of votes to be the frequency that is preferred by stockholders. Therefore, any shares not voted, whether by abstention, broker non-vote or otherwise, are not counted in determining the outcome of the vote.

The Proposal to ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2013 (Proposal 6), will be approved if the number of shares of Common Stock favoring the proposal exceeds the number of shares of Common Stock opposing it. Any shares not voted, whether by abstention, broker non-votes, if any, failure to vote (either by proxy or in person) or otherwise will have no effect on the outcome of such proposal.

UNLESS SPECIFIED OTHERWISE, AS PERMITTED BY APPLICABLE LAW AND STOCK EXCHANGE RULES, THE PROXIES WILL BE VOTED AT THE MEETING OR ANY ADJOURNMENT THEREOF:

- (I) FOR THE ELECTION OF THE FIVE NOMINEES NAMED IN THIS PROXY STATEMENT TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING OF STOCKHOLDERS IN 2014 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED;**
- (II) FOR THE APPROVAL OF THE AMENDMENT OF CERTIFICATE OF INCORPORATION PURSUANT TO THE CREDIT AGREEMENT;**
- (III) FOR THE APPROVAL OF AN INCREASE IN THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN;**

The Board of Directors' Role in Risk Oversight

Risk is an integral part of the Board of Directors deliberations throughout the year. The Board of Directors oversees the management of the Company's risk management.

Director Independence

The Board of Directors has considered the independence of each director and nominee for election as a director in accordance with the elements of independence set forth in the listing standards of the NYSE MKT. Based upon information solicited from each nominee, the Board of Directors has affirmatively determined that David Dreyer, Joseph Whitters and Wayne Yetter (collectively, the "Independent Directors") have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and are "independent" within the meaning of NYSE MKT's director independence standards and Audit Committee independence standards, as currently in effect.

Required Vote

In order to be elected to the Board of Directors, each nominee must receive a majority of the votes of the shares of the Company's Common Stock present in person or represented by proxy at the Annual Meeting. Stockholders may only vote for or withhold their votes for the election of the nominees to the Board of Directors. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum. Votes that are withheld will be considered votes cast but abstentions and broker non-votes will have no effect on the election of directors. Unless instructions to the contrary are specified, as permitted by applicable law and stock exchange rules, the proxy holders will vote the proxies received by them FOR each of the director nominees.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS OF THE COMPANY VOTE "FOR" THE PROPOSAL TO ELECT DAVID DREYER, RYAN MORRIS, ERIC STEEN, JOSEPH WHITTERS AND WAYNE YETTER AS MEMBERS OF THE BOARD OF DIRECTORS TO SERVE UNTIL THE 2014 ANNUAL STOCKHOLDERS MEETING AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

Table of Contents

Board of Directors and Committees of the Board of Directors

The Board of Directors has responsibility for the overall governance of the Company. The Board of Directors held a total of twelve meetings and took action by unanimous written consent on one occasion during the fiscal year ended December 31, 2012. Each then-current director attended at least 75% of the meetings held by the Board of Directors and of the meetings of each committee on which such director served. In addition to regularly scheduled meetings, the directors discharge their responsibilities through telephonic and other communications with each other and the executive officers.

The Board has no policy regarding director attendance at annual meetings of stockholders. Four members of the Board at that time attended the 2012 Annual Meeting.

The Board of Directors has established three standing committees, an Audit Committee, a Nominating and Governance Committee and a Compensation Committee, each of which is comprised entirely of independent directors and reports to the Board of Directors. From time to time during the assessment of certain strategic opportunities, the Board may establish a Special Committee comprised wholly of independent directors.

The Board of Directors has determined that, in lieu of appointing a lead independent director, Messrs. Dreyer, Whitters and Yetter will coordinate the activities of the lead independent director position. During the Company's assessment of potential strategic opportunities potentially involving Executive Chairman Ryan Morris, Mr. Yetter was appointed to serve as the Chairman of the Board.

Audit Committee

The Audit Committee is composed entirely of independent directors. The following individuals are the current members of the Audit Committee: Joseph Whitters, David Dreyer and Wayne Yetter, and Mr. Whitters serves as Chairman of the Audit Committee. The Audit Committee is responsible for meeting with the Company's independent registered public accounting firm regarding, among other issues, audits and adequacy of the Company's accounting and control systems. The Audit Committee held four meetings during the fiscal year ended December 31, 2012.

The Board of Directors has determined that each of Mr. Dreyer and Mr. Whitters qualifies as an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is posted on the Company's website at www.infusystem.com.

Nominating and Governance Committee

The Nominating and Governance Committee is composed entirely of independent directors. The following individuals are current members of the Nominating and Governance Committee (the "Nominating Committee"): David Dreyer and Wayne Yetter. Mr. Dreyer serves as Chairman of the Nominating Committee. The Nominating Committee held one meeting during the fiscal year ended December 31, 2012. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is posted on the Company's website at www.infusystem.com.

The Nominating Committee identifies individuals for nomination to the Board of Directors by the full Board of Directors. The Nominating Committee will consider all qualified director candidates identified by members of the Nominating Committee, by senior management and stockholders. Stockholders who would like to propose an independent director candidate for the consideration of the Nominating Committee may do so by submitting the candidate's name, résumé and biographical information care of InfuSystem Holdings, Inc., 31700 Research Park Drive, Madison Heights, Michigan 48071, Attn: Secretary, no later than the deadline for submission of stockholder proposals set forth under the section of this Proxy Statement entitled "Stockholder Proposals for the 2014 Annual Meeting." All proposals for nomination received by the Secretary will be presented to the Nominating Committee for consideration.

Table of Contents

The Nominating Committee reviews each director candidate's biographical information and assesses each candidate's independence, skills and expertise based on a variety of factors, including the following criteria:

- Whether the candidate has exhibited behavior that indicates he or she is committed to the highest ethical standards;
- Whether the candidate has had broad business, governmental, non-profit or professional experience that indicates that the candidate will be able to make a significant and immediate contribution to the Board of Directors' discussion and decision-making; and
- Whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director.

In addition to above listed criteria, the Nominating Committee considers the diversity of candidates, which may include diversity of skills and experience as well as geographic, gender, age, and ethnic diversity. The Nominating Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates.

Application of these factors requires the exercise of judgment by members of the Nominating Committee and cannot be measured in a quantitative way.

The Nominating Committee applied each of these factors in its review and assessment of the background, independence, skills and expertise of each of the director nominees included in this proxy statement, including the New Directors. Members of the Nominating Committee had several meetings and conversations with each of the director nominees and conducted extensive due diligence and background investigations prior to approving their nomination for election at the Meeting.

Compensation Committee

The Compensation Committee is composed entirely of independent directors. The following individuals are current members of the Compensation Committee: David Dreyer, Joseph Whitters and Wayne Yetter, and Mr. Yetter serves as Chairman of the Compensation Committee. The Compensation Committee is responsible for approving the salaries, bonuses and other compensation and benefits of executive officers and directors and administering the InfuSystem Holdings, Inc. 2007 Stock Incentive Plan. The Compensation Committee held seven meetings during the fiscal year ended December 31, 2012. The Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is posted on the Company's website at www.infusystem.com.

The Compensation Committee evaluates executive officer performance in light of the Company's strategic objectives and establishes compensation levels based on such evaluation. The objectives of Compensation Committee are to attract and retain experienced and highly qualified personnel and reward our executive officers for advancing critical elements of our strategic plan.

The Compensation Committee has the authority to retain, oversee, terminate, and approve fees for compensation consultants to assist in the discharge of its responsibilities. In 2012, the Compensation Committee retained Pearl Meyer & Partners ("PM&P"), an independent compensation consulting firm, to assist in the review of the Company's non-employee director compensation. In 2013, the Compensation Committee retained PM&P to assist in the review of the executive compensation plan. PM&P reports directly to the Committee and does not provide any other services, beyond compensation consulting, to the Company.

In 2013, the Committee considered and assessed all relevant factors, including but not limited to, those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934, that could give rise to a potential conflict of interest with respect to PM&P's work. Based on this review, we are not aware of any conflict of interest that has been raised by the work performed by PM&P.

In the event of a change of control of the Company, or otherwise at the direction of the Compensation Committee, all options would have vested and become immediately exercisable.

- Options for 25,000 shares of the Company's Common Stock for each independent director;
- Options for 60,000 shares of the Company's Common Stock for the Executive Chairman.

Any such grant of options to Directors would be contingent upon sufficient share capacity under the Company's 2007 Stock Incentive Plan or successor plan. Further, such options would be granted on the date of the Company's Annual Meeting of Stockholders, with an exercise price equal to 110% of the trailing average closing price of the Company's Common Stock for the five trading days prior to and including the date of grant. Such options would vest monthly over a period of one year and immediately upon a Change in Control.

PROPOSAL 2 —

**APPROVAL OF AMENDMENT OF
CERTIFICATE OF INCORPORATION PURSUANT TO THE CREDIT AGREEMENT**

The Board asks that you approve an amendment to our Amended and Restated Certificate of Incorporation to delete Article “EIGHTH” (the “Amendment”). Article EIGHTH allows the Company’s creditors or stockholders, as applicable, to petition the Delaware courts to call a meeting of the creditors or stockholders in the event the Company attempts to enter into a compromise agreement with its creditors or stockholders related to a corporate restructuring. If at such a meeting 75% of the Company’s creditors or stockholders, as applicable, approve the compromise agreement, and the Delaware court in turn approves the compromise agreement, then the compromise agreement would be binding on the Company and its creditors or stockholders.

On November 30, 2012, the Company entered into a Credit Agreement (the “Credit Agreement”), with Wells Fargo Bank, National Association as administrative agent, lead arranger, book runner, syndication agent and documentation agent (“Agent”) and certain lenders (Agent, with the other lenders, the “Lenders”). Pursuant to the terms of the Credit Agreement, the Lenders have required that the Board approve, and that the Company use its best efforts to obtain stockholder approval of, the Amendment of the Company’s Amended and Restated Certificate of Incorporation. Until Article EIGHTH has been removed from the Amended and Restated Certificate of Incorporation, the Lenders have placed additional restrictions on the Company, as further discussed under “Requirements of Our Lenders” below. In order to relieve the Company from these additional restrictions, and to comply with the conditions set forth in the Credit Agreement, the Board has approved the Amendment and recommends that the stockholders also approve the Amendment.

Reasons for and Effect of Proposal

Article EIGHTH of the Company’s Amended and Restated Certificate of Incorporation, as filed with the SEC as an exhibit to the Company’s Registration Statement on Form S-1, dated October 14, 2005, currently reads in its entirety as follows:

“EIGHTH: Whenever a compromise or arrangement is proposed between this corporation and its creditors or any class of them and/or between this corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this corporation under Section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this corporation as a consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this corporation, as the case may be, and also on this corporation. This Article Eighth is subject to the requirements set forth in Article Fifth, and any conflict arising in respect of the terms set forth hereunder and thereunder shall be resolved by reference to the terms set forth in Article Fifth.”

Stated more simply, the effect of this Article EIGHTH is that, in the event that the Company and any of its creditors or its stockholders ever agree to a compromise related to the reorganization of the Company, the Company’s creditors or stockholders, or its receivers or trustees, as applicable, may petition a Delaware court to call a meeting to consider and approve such arrangement. If, at such meeting, 75% of our creditors or our stockholders, as applicable, approve the proposed compromise or arrangement and to a reorganization of the

Table of Contents

Company as a result, and that approval is approved by the Delaware court calling the meeting, that compromise or arrangement and the resulting reorganization will be binding on the Company and its creditors or stockholders, as applicable.

The language of Article EIGHTH refers to Article "FIFTH" of the Company's Amended and Restated Certificate of Incorporation, which provides the stockholders a right to approve any business combination (such as a merger or an acquisition of assets) with a business of comparable value to the Company. Article FIFTH shall not change as a result of the deletion of Article EIGHTH.

Article EIGHTH is an uncommon provision in a certificate of incorporation, and we no longer believe that maintaining the provision in the Amended and Restated Certificate of Incorporation is in the best interests of the Company. Further, our Lenders, as discussed below, have limited the Company's ability to, among other things, take on additional debt for as long as Article EIGHTH remains in the Company's Amended and Restated Articles of Incorporation. In order to relieve the contractual restrictions imposed upon the Company under the Credit Agreement due to the existence of Article EIGHTH, the Lenders have required that the Company seek your approval of the Amendment.

To alleviate the restrictions on the Company pursuant to the Credit Agreement and to fulfill the Company's obligations thereunder, we propose to eliminate Article EIGHTH. Other than as set forth herein, the Board is not aware of any current or proposed matters that would be affected by the Amendment.

Requirements of Our Lenders

As described on the Company's Current Report on Form 8-K, dated November 30, 2012, prior to entry into the Credit Agreement, the Company formed InfuSystem Holdings USA Inc. as a direct wholly-owned subsidiary of the Company. InfuSystem Holdings USA Inc. was formed to restrict the effect of the application of this Article EIGHTH. After formation of InfuSystem Holdings USA Inc., the Company, pursuant to the terms of a Contribution Agreement between the Company and InfuSystem Holdings USA Inc. dated November 30, 2012, contributed to InfuSystem Holdings USA Inc. the ownership rights of the Company in Infusystem, Inc., a California corporation, First Biomedical, Inc., a Kansas corporation, and IFC LLC, a Delaware limited liability company, all of which were wholly owned subsidiaries of the Company.

Despite restricting the application of Article EIGHTH as set forth above, the Lenders required additional restrictions under the Credit Agreement on certain activities of the Company until the Amendment is approved. The restrictions provide that without the prior written consent of a threshold number of Lenders specified in the Credit Agreement, the Company may not (i) seek or consent to any compromise or arrangement among the Company and its creditors or the Company and any class of its creditors, in each case, intended to bind the Lenders with respect to the obligations under the Credit Agreement in reliance on Article EIGHTH or (ii) incur or assume any indebtedness (other than the obligations under the Credit Agreement), if after giving effect to such incurrence or assumption, the aggregate value of the claims of all creditors of the Company (other than the obligations under the Credit Agreement) would equal or exceed 40% of the aggregate value of all claims of all creditors of the Company. These restrictions will no longer apply upon stockholder approval of the Amendment.

The Credit Agreement also provides that the obligations of the Lenders to continue to make revolving loans are subject to the satisfaction of certain conditions, including the Company providing the Lenders with satisfactory evidence that the Company has used its best efforts to recommend to, and obtain the approval of, its stockholders for the Amendment at the Company's next stockholders' meeting following November 30, 2012. The Board is hereby making such recommendation for stockholders to approve the Amendment.

In addition and as required in connection with the Credit Agreement, the Company and each Board member and certain stockholders affiliated with such Board members have entered into a Voting Agreement with the Agent, dated November 30, 2012, pursuant to which they have agreed to vote all shares of Company stock that they own at the time of the stockholder vote related to the Amendment.

Table of Contents

Stockholder passage of the Amendment will delete the language of Article EIGHTH from the Company's Amended and Restated Certificate of Incorporation. It will remove the aforementioned restrictions on the Company's financing activities, and it will satisfy in full the Company's obligations under the Credit Agreement. In so doing, the Board believes that the Amendment will increase the Company's flexibility in financing its capital needs and in working with its creditors.

Implementation and Text of the Amendment

If Proposal 2 is approved by the stockholders, the Amendment will become effective upon the filing of an amendment and restatement of the current Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, which provides for the replacement Article EIGHTH in its entirety with the following paragraph, or a substantial equivalent thereof:

“EIGHTH: Reserved.”

Required Vote

The affirmative vote of the holders of a majority of all outstanding shares entitled to vote on this Proposal 2 will be required to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This Proposal to amend our Amended and Restated Certificate of Incorporation is considered a “non-routine” item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker “non-votes” will have the same effect as a vote against the approval of the proposal. Unless instructions to the contrary are specified, as permitted by applicable law and stock exchange rules, the proxy holders will vote the proxies received by them FOR this proposal.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE PROPOSAL TO AMEND THE COMPANY’S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION AS SET FORTH ABOVE.

PROPOSAL 3 —

INCREASE IN THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN

At a meeting of stockholders held on September 26, 2007, the Company's stockholders approved the adoption of the InfuSystem Holdings, Inc. 2007 Stock Incentive Plan (the "Plan"), providing for the issuance of a maximum of 2,000,000 shares of Common Stock in connection with the grant of options and/or other stock-based or stock-denominated awards. On May 27, 2011, the Company's stockholders approved the reservation of an additional 3,000,000 shares to be issued under the Plan.

Since the adoption of the Plan, the Board of Directors, or the Compensation Committee thereof, has approved various grants and as a result, only 275,444 additional shares remain available for issuance under the Plan as of June 30, 2013. The Board of Directors believes that attracting, retaining and rewarding directors, officers, other employees and persons who provide services to the Company and its subsidiaries and enabling such persons to acquire or increase a proprietary interest in the Company has been and will continue to be essential to the Company's growth and success. The Plan will enable the Company to continue to maintain a compensation program with different types of incentives for motivating such individuals and encouraging them to give the Company long-term, excellent service. Accordingly, the Board of Directors believes that it is in the best interests of the Company to increase the total number of shares authorized for issuance under the Plan by 2,000,000 shares (the "Increase"), which would enable the Company to continue to make grants or other awards under the Plan in the future. The Board expects the Increase, in combination with the remaining 275,444 shares remaining available for issuance under the Plan, to be a sufficient number of shares to provide for three additional years of grants under the Plan.

On June 26, 2013, the Compensation Committee, based upon the assessment and recommendation of Pearl Meyer & Partners, an independent compensation consulting firm engaged by the Compensation Committee to review executive compensation, unanimously approved the Increase and recommended that it be submitted to the stockholders for approval at the Annual Meeting. If approved by the stockholders at the Annual Meeting, the Increase will be effective immediately thereafter. Except for the Increase, no changes are proposed to be made to the Plan, a copy of which is attached as Annex B to the Company's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on August 8, 2007.

Reasons for Stockholder Approval

The Board of Directors seeks stockholder approval of the Increase under the rules of the NYSE MKT. In addition, stockholder approval will permit designated stock options to qualify as incentive stock options under the Internal Revenue Code. Such qualification can give the holder of the options more favorable tax treatment. The approval of the Increase will not affect the Company's ability to make stock-based or cash-based awards outside of the Plan to the extent consistent with applicable law and stock exchange rules.

Potential Dilution

The aggregate number of shares of Common Stock that may be issued under the Plan will not exceed 7,000,000 shares, subject to adjustment upon the occurrence of certain transactions or events that would also otherwise adjust our Common Stock. Upon approval of the Increase, an aggregate of 2,275,444 shares will be available for issuance under the Plan.

Description of the Plan

The following is a brief description of the material features of the Plan. This description is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached as Annex B to the Company's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on August 8, 2007.

Table of Contents

Administration

The Compensation Committee will have the authority to select award recipients, determine the type, size and other terms and condition of the award, and make all other decisions and determinations as may be required under the Officers, employees, directors (including outside directors), and other persons who provide services to the Company and its subsidiaries are eligible to be selected as award recipients.

Type of Awards

The Compensation Committee is authorized to grant awards payable in either shares of Common Stock or cash, including options to purchase shares, restricted shares, stock appreciation rights, share units, performance units and dividend equivalents. These awards may be granted as a bonus, or in lieu of obligations of the Company or any subsidiary to pay cash or grant other awards under other plans or compensatory arrangements.

Terms and Conditions of Awards

The Compensation Committee will determine the size of each award to be granted (including, where applicable, the number of shares to which an award will relate), and all other terms and conditions of each award (including any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability, forfeiture, exercisability terms of the Plan or as the Compensation Committee may deem necessary or advisable for the administration of the Plan. The Compensation Committee will have the authority to delegate any or all of its authority to the extent such delegation is consistent with applicable law.

Eligibility, or settlement of an award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications of such restrictions or conditions).

Aggregate Limitation on Stock-Based Awards

The aggregate number of shares that may be issued under the Plan during the life of the Plan will not exceed 7,000,000, an increase of 2,000,000 from the maximum number of shares issuable thereunder as of the date hereof, subject to adjustment as discussed below. Shares issued that are reacquired by the Company in connection with a forfeiture or other failure to satisfy performance conditions will not be treated as having been issued for purposes of this limit. Shares delivered under the Plan may be newly issued shares, treasury shares or shares acquired on the market.

Per Participant Limitations

In any calendar year, no individual may be granted stock-based awards under the Plan that relate to more than 500,000 shares, or cash-based awards that can be settled for more than \$500,000.

Certain Performance-Based Awards

The Compensation Committee may grant performance awards, which may be cash-denominated awards or stock-based awards. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition of awards being granted, becoming exercisable or settleable, or as a condition to accelerating the timing of such events. Performance may be measured over a period of any length specified by the Compensation Committee, up to 10 years. If so determined by the Compensation Committee, in order to avoid the limitations on tax deductibility under Section 162(m) of the Code, the business criteria used by the Compensation Committee in establishing performance goals applicable to performance awards to the named executive officers will be based on one or more of the following individual, corporate-wide or subsidiary, division or operating unit financial

Table of Contents

measures: (1) pre-tax or after-tax income; (2) pre-tax or after-tax operating income; (3) gross revenue; (4) profit margin; (5) stock price (including market capitalization); (6) cash flow(s); (7) market share; (8) pre-tax or after-tax earnings per share; (9) pre-tax or after-tax operating earnings per share; (10) expenses; (11) return on equity; and (12) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, cost targets, goals relating to acquisitions or divestitures, clinical goals, distribution and development goals, sales force goals and strategic alliance goals.

Each such goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on current internal targets and/or the past performance of the Company (including the performance of one or more subsidiaries, divisions and/or operating units), and in the case of earnings-based measures, may use or employ comparisons relating to capital (including, but not limited to, the cost of capital), stockholders' equity and/or shares outstanding, or to assets or net assets.

Adjustments

In the event of any change in the outstanding shares of Common Stock by reason of any share dividend or split, reorganization, recapitalization, merger, amalgamation, consolidation, spin-off, combination or exchange of shares, repurchase, liquidation, dissolution or other corporate exchange, any large, special and non-recurring dividend or distribution to stockholders, or other similar corporate transaction, the Compensation Committee shall make such substitution or adjustment as is equitable and appropriate in order to preserve, without enlarging, the rights of participants, as to (i) the number and kind of shares which may be delivered pursuant to awards, (ii) the number and kind of shares subject to or deliverable in respect of outstanding awards, and (iii) the exercise price, grant price or purchase price relating to any award. In addition, the Compensation Committee shall make such equitable and appropriate adjustments in the terms and conditions of, and the criteria included in, awards (including cancellation of awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for awards, or adjustment to performance goals in respect of awards) in recognition of unusual or nonrecurring events (including events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any subsidiary or any business unit, or the financial statements of the Company or any subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, if any such event will result in the acquisition of all or substantially all of the Company's outstanding shares of Common Stock, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding awards, such treatment shall govern without the need for any action by the Compensation Committee.

Amendment, Termination

The Compensation Committee may amend, suspend, discontinue, or terminate the Plan or the Board of Director's authority to grant awards under the plan without stockholder approval, except as required by law or regulation. Unless earlier terminated, the Plan will terminate ten years after its approval by stockholders.

Federal Income Tax Implications of the Plan

The Federal income tax consequences arising with respect to awards granted under the Plan will depend on the type of the award. As a general rule, the recipient will recognize ordinary income at the time of payment of cash, or delivery of actual shares. Future appreciation on shares held beyond the ordinary income recognition event will be taxable to the recipient at capital gains rates when the shares are sold. The Company as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and the Company will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient. Exceptions to these general rules may arise under the following circumstances, among others: (i) if shares, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment or performance-related condition, ordinary income taxation and the Company's tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to

Table of Contents

include the amount in income notwithstanding the risk of forfeiture); (ii) if an employee is granted an option that qualifies as “incentive stock option”, no ordinary income will be recognized (but rather any gain recognized will be capital), and the Company will not be entitled to any tax deduction, if shares acquired upon exercise of such option are held at least one year from the date of exercise and two years from the date of grant; (iii) the Company will not be entitled to a tax deduction for compensation attributable to awards granted to one of its named executive officers, if and to the extent such compensation does not qualify as “performance-based” compensation Code Section 162(m), and such compensation, along with any other non-performance-based compensation paid in the same calendar year to such individual, exceeds \$1 million, and (iv) an award may be taxable at 20 percentage points above ordinary income tax rates at the time it becomes vested, even if that is prior to the delivery of the cash or stock in settlement of the award, if the award constitutes “deferred compensation” under Code Section 409A, and the requirements of Code Section 409A are not satisfied. The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Plan. This discussion is intended for the information of stockholders considering how to vote at the annual meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement. The summary does not address the effects of other federal taxes (including possible “golden parachute” excise taxes) or taxes imposed under state, local, or foreign tax laws.

New Plan Benefits under the Plan

Awards under the Plan generally will be granted in the discretion of the Compensation Committee. Therefore, the type, number, recipients, and other terms of other awards in the future cannot be determined at this time. Please see “Proposal 1—Election of Directors—Directors Compensation” and “Executive Compensation” for information related to awards under the Plan during the year ended December 31, 2012 and for current executive officer and director awards under the Plan.

Required Vote

This Proposal 3 to approve an increase in the number of shares authorized for issuance under the Company's 2007 Stock Incentive Plan, will require the affirmative vote of a majority of the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present in person or by proxy at the Annual Meeting and entitled to vote. THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL 3 TO APPROVE THE INCREASE IN THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN.

PROPOSAL 4 —

ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

Pursuant to Section 14A to the Exchange Act adopted in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are providing stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers. Such a “say-on-pay” vote gives our stockholders the opportunity to express their views on the Company’s executive compensation policies and programs and the compensation paid to the named executive officers.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by approving the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the Company’s proxy statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and accompanying narrative disclosure.”

The Board of Directors recommends a vote FOR approval of the advisory resolution in this Proposal 4 because it believes that the Company’s executive compensation policies and practices are effective in incentivizing our named executive officers to achieve the Company’s goals of growth and sustained financial and operating performance, aligning executives’ interests with those of the stockholders, and attracting, retaining, motivating and rewarding highly talented executives. Please refer to “Executive Officers” and “Executive Compensation” in this proxy statement, including the tabular and narrative disclosure regarding executive compensation, for details about our executive compensation policies and programs and information about the fiscal year 2012 and current compensation of our named executive officers.

The vote on this Proposal 4 is advisory and therefore not binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee will review and consider the voting results in future decisions regarding executive compensation.

Required Vote

This Proposal 4 will be approved if the votes cast for the Proposal exceed the votes cast against it. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not have an effect on this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal, assuming the quorum requirements for the Annual Meeting have been met. Unless instructions to the contrary are specified, as permitted by applicable law and stock exchange rules, the proxy holders will vote the proxies received by them FOR this proposal.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ADVISORY RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 5 —

**ADVISORY VOTE ON FREQUENCY OF FUTURE
ADVISORY VOTES ON EXECUTIVE COMPENSATION**

Also pursuant to Section 14A of the Exchange Act, we are providing stockholders with the opportunity to indicate, on an advisory basis, their preference as to the frequency of future advisory votes on the compensation of our named executive officers. In this Proposal 5, also known as a “say on frequency” proposal, we are asking stockholders to vote on whether future say-on-pay votes should occur every one, two or three years. Stockholders also may abstain from voting on this proposal.

The Board of Directors has determined that an advisory vote on executive compensation held every two years is most appropriate for the Company. Although the Company’s executive compensation programs are designed to promote a long-term connection between pay and performance, the Board recognizes that executive compensation decisions are made regularly. Given that the say-on-pay advisory vote provisions are new, we believe that holding a bi-annual advisory vote on executive compensation will provide the Company with stockholder feedback on our compensation practices and policies on a regular, frequent basis and is consistent with our objective of further engaging with our stockholders on executive compensation and corporate governance matters. Balanced with this is the Company’s desire to minimize administrative costs, including legal, proxy solicitation and management attention, associated with conducting such proxy advisory votes. Accordingly, the Board of Directors recommends that you vote for TWO YEARS (*i.e.*, once every two years) as the frequency of future advisory votes on executive compensation.

While this vote is advisory and not binding, the Board of Directors and the Compensation Committee will take into consideration the outcome of the vote in setting a policy with respect to the frequency of future advisory votes on executive compensation. Section 14A of the Exchange Act requires that a “say on frequency” vote occur at least once every six years. However, when considering the frequency of future advisory votes on executive compensation, the Board of Directors and the, Compensation Committee may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders. If the policy is determined in accordance with the Board’s current recommendation, the next say-on-pay vote would be held at the 2015 annual meeting of stockholders.

Required Vote

No threshold vote must be obtained for this Proposal 5. The Company will consider the frequency that receives the highest number of votes by stockholders to be the frequency that is preferred by stockholders. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not have an effect on this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal, assuming the quorum requirements for the Annual Meeting have been met. Unless instructions to the contrary are specified, as permitted by applicable law and stock exchange rules, the proxy holders will vote the proxies received by them for TWO YEARS with respect to this proposal.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR “TWO YEARS” AS THE PREFERRED FREQUENCY FOR ADVISORY VOTES ON EXECUTIVE COMPENSATION.

PROPOSAL 6 —

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the Board of Directors have selected BDO USA, LLP as the independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2013. The Board of Directors is submitting the appointment of BDO USA, LLP to the stockholders for ratification as a matter of good corporate practice.

On June 3, 2013, the Audit Committee approved the appointment as the Company's new independent registered public accounting firm to perform audit services for the Company for the fiscal year ended December 31, 2013, replacing Deloitte & Touche LLP ("Deloitte"). As previously disclosed in the Company's Current Report on Form 8-K on June 6, 2013, there were no "disagreements" (as that term is used in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Deloitte would have caused Deloitte to make reference to the subject matter of the disagreement in connection with its reports on the Company's consolidated financial statements for the fiscal years ended December 31, 2011 and December 31, 2012.

In the event that the stockholders fail to ratify the appointment of BDO USA, LLP, the Audit Committee will reconsider its selection of audit firms, but may decide not to change its selection. Even if the appointment is ratified, the Audit Committee may appoint a different independent registered public accounting firm at any time if it determines that such a change would be in the best interest of the Company's stockholders.

Representatives of BDO USA, LLP are expected to be present at the Meeting.

Please see "Independent Auditors' Fees" for a discussion of the fees paid by the Company to its predecessor auditor, Deloitte, for the fiscal years ended December 31, 2012 and December 31, 2011.

Required Vote

To be approved by the stockholders, this Proposal 6 to ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013 must receive the affirmative vote of a majority of the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present in person or by proxy at the Meeting and entitled to vote. Abstentions, broker non-votes and a failure to vote will have no effect on the outcome of the proposal. Unless instructions to the contrary are specified, as permitted by applicable law and stock exchange rules, the proxy holders will vote the proxies received by them FOR this proposal.

Recommendation

THE AUDIT COMMITTEE AND THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

Mr. Steen is also eligible for additional discretionary bonuses based on the achievement of certain specified goals established by the Compensation Committee. Mr. Steen further received, pursuant to the terms of an Inducement Stock Option Agreement by and between the Company and Mr. Steen, dated as of April 1, 2013, 700,000 inducement stock options outside the Company's 2007 Stock Option Plan, of which 300,000 options have an exercise price of \$1.75 and 400,000 options have an exercise price of \$2.75 (all options granted to Mr. Steen pursuant to the Inducement Stock Option Agreement, the "Inducement Options"). In the event Mr. Steen is involuntarily terminated by the Company without cause, the vesting of the Inducement Options that would have otherwise vested in the twelve months following the date of termination will accelerate and become exercisable. Any accrued paid time off that remains unused after the Initial Term shall roll over into any renewal terms.

The Company must provide Mr. Steen with six months advance notice of an involuntary termination of Mr. Steen's employment other than for cause. In such event and in exchange for the execution of a general release, Mr. Steen will be entitled to a severance payment in an amount equal to six months of Mr. Steen's then-current base salary, in addition to Mr. Steen's accrued and unpaid base salary, bonus amount in respect of the immediately preceding calendar year, paid time off and reimbursements through the date of such termination.

The Employment Agreement contains customary confidentiality, non-disparagement, protection of Company intellectual property, non-competition and non-solicitation provisions applicable to the duration of Mr. Steen's employment and thereafter.

Retention Bonus Agreements with Executive Officers

On July 2, 2013, the Company entered into retention agreements (the "Retention Agreements") with each of the Company's named executive officers and certain other key employees in order to compensate for additional job duties in connection with, and to retain necessary Company personnel through, a potential Change in Control transaction (as defined below). These Retention Agreements provide recipients with cash award payments in the event that a Change in Control of the Company occurs on or before March 31, 2014, provided that participants are employed with the Company through the closing date of such a transaction, or thirty days prior to such date, if such employment does not terminate by reason of voluntary resignation, retirement or termination for cause prior to the closing date. A Change in Control transaction is a transaction resulting in a change in ownership of 50% or more of the Company's common stock, (whether by acquisition or tender or exchange offer) or a sale of substantially all of the Company's assets.

Under the Retention Agreements, Mr. Foster and Ms. Skonieczny would receive nine months of their then-current base salary, and Mr. Steen would receive one year of his then-current base salary, upon the closing of a transaction that resulted in a Change of Control, as defined in the Retention Agreements. Such amounts would be paid in three one-third installments within 30 days of the following dates: 1) the closing of a Change in Control transaction; 2) six months after the first payment; and 3) one year after the first payment or any involuntary termination of the executive officer's employment.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company's Board of Directors and Audit Committee are responsible for reviewing and approving all transactions involving the Company and "related parties" (generally, directors, executive officers and stockholders owning five percent or greater of the Company's outstanding stock and their immediate family members). The Board of Directors and Audit Committee approve all related party transactions in advance. The Board of Directors and Audit Committee consider all of the relevant facts and circumstances available, including (if applicable) but not limited to: (i) the benefits to the Company; (ii) the impact on a director's independence in the event the related party is a director, an immediate family member of a director or an entity in which a director is a partner, stockholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally. No member of the Board of Directors or the Audit Committee will participate in any review, consideration or approval of any related party transaction with respect to which such member or any of his or her immediate family members is the related person. The Board of Directors and Audit Committee will approve only those related party transactions that are in, or are not inconsistent with, the best interests of the Company and its stockholders, as determined in good faith. The Board of Directors and Audit Committee will review all related party transactions annually to determine whether it continues to be in the Company's best interests.

Related Person Transactions

Transactions with Adepto Medical

During the year ended December 31, 2012, the Company purchased pumps from Adepto Medical, a company that is controlled by a family member of Mr. Creal, Executive Vice-President, First Biomedical. Total purchases during 2012 amounted to approximately \$100,000. The Company also provided pumps to Adepto Medical during the year ended December 31, 2012. Total revenue earned from these sales during the year ended December 31, 2012 was approximately \$100,000.

Acquisition of First Biomedical

In connection with the Company's June 2010 acquisition of First Biomedical, the Company entered into a subordinated promissory note (the "Note") with Mr. Creal, who was the majority shareholder of First Biomedical immediately prior to the acquisition, in the amount of \$750,000, plus annual interest of 5%, payable in equal installments over 24 months. As of December 31, 2012, the Note was paid in full. Mr. Creal also owns Jan-Mar LLC ("Jan-Mar") and is the principal owner of the CW Investment Group LLC ("CW"). In connection with the acquisition, the Company entered into operating lease agreements with Jan-Mar and CW, each of which owns one of the two office buildings utilized by First Biomedical in Olathe, Kansas. AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors has furnished the following report on its activities during the fiscal year ended December 31, 2012. The report is not deemed to be “soliciting material” or “filed” with the SEC or subject to the SEC’s proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates it by reference into any such filing.

The Audit Committee oversees the financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial reporting process, principles and internal controls as well as preparation of the Company’s financial statements. As of July 19, 2013, the Audit Committee is comprised of Joseph Whitters (Chairman), David Dreyer and Wayne Yetter, each of whom is an independent director as defined by the applicable SEC rules. The Audit Committee as then constituted held four meetings during the fiscal year ended December 31, 2012.

In fulfilling its responsibilities, the Audit Committee, as then constituted, appointed independent registered public accounting firm Deloitte & Touche LLP (the “2012 Auditor”) for the fiscal year ended December 31, 2012. The Audit Committee reviewed and discussed with the 2012 Auditor the overall scope and specific plans for their audit. The Audit Committee also reviewed and discussed with the 2012 Auditor and with management the Company’s audited financial statements and the adequacy of the Company’s internal controls. The Audit Committee met with the 2012 Auditor, without management present, to discuss the results of the 2012 Auditor’s audits and the overall quality of the Company’s financial reporting.

As then constituted during the fiscal year ending 2012, the Audit Committee monitored the independence and performance of the 2012 Auditor, as well as discussed with the 2012 Auditor the matters required to be discussed by Statements on Auditing Standards No. 61, as amended. The Company’s 2012 Auditor has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the 2012 Auditor’s communications with the then constituted Audit Committee regarding independence and the Audit Committee as constituted during the fiscal year ending 2012 has discussed with the 2012 Auditor and management 2012 Auditors’ independence. Based upon the review and discussions referred to above, the then constituted Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2012 for filing with the SEC.

The Audit Committee has the sole authority to appoint the independent registered public accounting firm. Despite the relationship between the Company and 2012 Auditor, as discussed in Proposal 6, the Audit Committee has determined that it is in the best interests of the Company to recommend that the Board of Directors ask the stockholders, at the Meeting, to ratify the appointment of BDO USA, LLP, rather than the 2012 Auditor, as its independent registered public accounting firm.
