InfuSystem to Join FTSE Russell 2000® Index

Rochester Hills, Michigan, June 18, 2020 – InfuSystem Holdings, Inc. (NYSE American: INFU), (“InfuSystem” or the “Company”), a leading national health care service provider, facilitating outpatient care for durable medical equipment manufacturers and health care providers, announced today its addition to the FTSE Russell 2000® Index, following the Russell US Index’s Annual Reconstitution, effective after the market closes on June 26, 2020.

Richard DiLorio, chief executive officer of InfuSystem, said, “We are pleased to be included in the Russell 2000® Index, the most widely followed benchmark for small-cap companies. This is an important milestone for InfuSystem as it will increase our visibility among leading institutional investors. We are excited about our solid operational and financial performance and look forward to our future, with great anticipation, as we build on the foundation of our existing platforms and expand into new therapies.”

About FTSE Russell

FTSE Russell is a leading global index provider creating and managing a wide range of indexes, data and analytic solutions to meet client needs across asset classes, style and strategies. Covering 98% of the investable market, FTSE Russell indexes offer a true picture of global markets, combined with the specialist knowledge gained from developing local benchmarks around the world.

FTSE Russell determines membership for its Russell US Indices primarily by objective, market-capitalization rankings and style attributes. Russell US Indices are widely used by investment managers and institutional investors as the basis for index funds and as benchmarks for active investment strategies. Approximately \$9 trillion in assets are benchmarked against Russell US Indices. Russell US Indices are part of FTSE Russell, a leading global index provider.

The Russell 2000® Index provides unparalleled coverage of the US small cap market segment, suitable as a benchmark for actively managed investments or as the foundation of index-linked products such as mutual funds and ETFs. For more information on the Russell 2000® Index and the Russell US Indices’ reconstitution, please visit “Russell Reconstitution” at the FTSE Russell website.
